IN THE CHAIR

Simon Negus
Chairman

A warm welcome to Flackwell Heath for today's Berks and Bucks Senior Cup fixture.

A warm welcome to The Racecourse for tonight's league match and a particular welcome to everyone from Flackwell Heath.

Whilst our senior teams have been in action for a few weeks now, our junior teams have only just started back - it now feels that the season has started for real. Our 80+ junior teams are the heartbeat of this club and we are extremely proud and thankful for all the volunteers who run and administer these teams.

Talking of volunteers it was sad to hear that the Chairman of one of our local clubs is stepping down. It's prompted some debates about how much is being expected of the volunteers running grassroots clubs - as probably the biggest grassroots club in the country we are very conscious of the pressures put on our team, but we need our governing body and leagues to work with clubs to reduce the workload instead of the current trend in the opposite direction. And members also have a role to play - it's great to get the 5-6 emails per day from members with suggestions of what we can do better, but it's the rarer ones where they then offer to actually do it themselves that I particularly welcome!

Let's hope for another goal fest tonight, and hope everyone enjoys the game.

**Welcome to the players, officials
and supporters of Flackwell
Heath. Enjoy the game!**

Good evening everyone,

Welcome back to the Racecourse Ground for our Berks & Bucks County Cup game against Flackwell Heath.

So, about Saturday... maybe I should go away more often! A clinical performance and a 10-1 win is the biggest during my time at the club and what a way to progress in the FA Vase. Excellent performances all round and congratulations to both Brendan Matthew and Harry Grant for bagging hat-tricks!

We learned yesterday that an away tie awaits to the Isle of Wight's Newport.

Moving swiftly onto our game tonight against a youthful but dangerous Flackwell team that includes two former players, Duarte Surpanu and Aiden Higgs, so we will be fully aware of their qualities.

We will have a debut for newly signed Cameron Gray and another milestone hit, this time its Dan Price making his long awaited 50th appearance for the club.

It's a weekend off for us before we are back here again against the same opposition in the league next Tuesday, so we look forward to seeing and hearing greater support this evening, we appreciate your fantastic support. Enjoy the game. *Jamie*

ON COURSE!

With Programme Editor Neal Jeffs

Welcome to the players, officials and supporters of Flackwell Heath for this Berks and Bucks Senior Cup match.

Happy reading, and enjoy the game! Neal

Good evening everyone to our first of two matches against The Heathens inside 8 days. After Saturday's madness where we almost matched our record score (10-0 vs Abingdon Town in 2014) I expect a more 'normal' affair. It remains to be seen whether each side shuffles their starting line ups although whatever team we put out this is certainly a competition we want to do well in after our success last season. We have no match this Saturday although some of the postponed games have started going into the schedule (see our fixtures page) including yet another FA Vase date with Newport IOW! We played them in the 5th round in 12/13 and the 3rd round in 14/15 - we won both ties - so hopefully history repeats itself against a team now playing at Step 6. More on that in due course, the low down on tonight is below, so enjoy the game! *Neal*

MATCH REPORT ROUNDUP

ASCOT SCORE TEN TO BEAT BOCO IN VASE

Yellamen concede early but hit double figures to advance

**Saturday 24th September 2022 - Isuzu FA Vase 2nd Qualifying Round - Ascot United 10 - 1
AEK Boco**

Ascot United came from behind to win for the sixth time this season with a resounding 10-1 victory against Step six outfit AEK Boco in the FA vase 2nd qualifying round on Saturday. Incredibly, they were deservedly behind against their opposition early-on, but hat-tricks for Harry Grant and Brendan Matthew underpinned a devastating comeback.

The Bristol-based visitors – fifth in the Toolstation Western League Division 1 – were heavy underdogs against a table-topping Ascot side from one tier above in the football pyramid, although there were few signs of what was ahead when they forged a lead inside the opening quarter of an hour. With home manager Jamie Tompkins overseas, it was Dan Masters who took control of the proceedings, and his starting line-up showed only one change from last weekend's win at Wembley; George Lock in for Jay Welch. The visitors settled into the game quickly and were well worth their early lead. Both Josh Jenkins and Nathan Hall had already threatened before Jenkins' delightful glancing header from Fred Taylor-Fox's right wing cross after he was played in by Drew Thomas found the net via the inside of a post; 15 minutes played. But Ascot were quickly on terms, and were already threatening to run away with it by half time after a 19-minute goal blitz.

Firstly, Matthew ran onto Harry Tucker's no-look overhead cross to nod past Luke Bond, running onto the bounce, before Grant's close-range header made it 2-1 three minutes later from Sean McCormack's right-wing cross; 27 minutes played. Marcus Mealing then turned provider when he threaded through for Ollie Harris to run onto and coolly roll into the bottom left on the half-hour mark to make it 3-1, before Matthew timed his run perfectly two minutes before the break to beat Bond and make it 4-1 by firing into the right-hand corner; McCormack the provider once again.

The visitors might have nabbed an early goal in the second half when Jenkins fired over when well placed after good link-up between Frank Taylor-Fox and Alfie Andrews in the build-up, but that was as good as it got as Ascot turned the screw. Grant side-footed home his second and Ascot's fifth from just inside the area to make it 5-1 after 71 minutes, although remained that way until ten minutes from time; Ashdown also making a decent save to deny Boco a second goal. But in a ten-minute blitz, Matthew rolled home for his hat-trick in the 80th minute before unselfishly squaring for Usman Lalustani to tickle home number seven in the 85th. Fellow substitute Kai Walters' exquisite chip after racing through made it eight in the 86th minute, before he lashed home a ninth a minute later, and there was still time for Grant to round Bond and cut the ball back across a covering defender to seal his own treble and a tenth in added time.

The win was just short of Ascot's record victory, a 10-0 mauling of Abingdon Town in March 2014, but the main point was Ascot's passage into the first round proper - accompanied by jovial suggestions that Tompkins needn't rush back from his trip abroad after Saturday's 'Masters-Mind' at the helm. Ascot United: Ashdown, Lock, Masters, Ajanlekoko, Bailey, Tucker, McCormack (Lalustani 75'), Grant, Mealing (Walters 72'), Matthew, Harris (August 66'). Subs unused: Welch, Docherty, Bouwers, Price

CLUB HISTORY - ASCOT UNITED

Ascot United as we know it, was founded in 1965 by a men's team who played their games at Sunninghill with "after match meetings" in The Wells in Cheapside village (now Mikado's). Teams played as long ago as 1928 under the name "Ascot United" but nothing to link them directly to the current club. In 1965, the club had gained permission from the Ascot Racecourse Trustees to convert the land east of coach park 10 into a football pitch. A wooden clubhouse was built, and this team went on to win many prestigious trophies in the years that followed.

Various youth teams represented Ascot United over the years up to 1988, and in 1992 the East Berks 7-a-side Association was formed by our then Chairman Keith Wicks, introducing small-sided junior games and having disbanded in 1980 the men's team also reformed. The men's senior team enjoyed early success through the East Berks League gaining continued promotions to the Senior division and winning various Cups including the Fielden Charity Cup in 1996/7. In 2001, the First Team join the Reading Senior League, were awarded FA Charter Standard status in 2004, and won the Reading Evening Post Senior Cup at the Madejski Stadium in 2006. Promotion to the Hellenic League Division 1 soon followed in 2007, before promotion to the Premier Division in 2009. The club today has grown to become one of the largest Community football clubs in the UK with over 1,000 registered players and over 70 teams playing every weekend embracing all ages and abilities from 5 year olds through to veterans. A new clubhouse opened in September 2010, together with an improved main pitch, floodlights and a stand.

"The Yellamen" made their debut in the FA Cup in 2011 with a home tie against Wembley FC. The game attracted 1,149 people to The Racecourse on a Friday evening where the famous trophy itself was on display, and the match was streamed live on Facebook. In 2012-13 and 2015-16 we reached the Quarter Final of the FA Vase twice, enjoyed two top-three finishes in the UHlsport Hellenic League Premier Division, and won both the Bluefin Sport Challenge Cup and Perpetua Press Floodlit Cup. After finishing 2017-18 in style, in the following season new manager Jamie Tompkins led his side to the top of the table for long spells, winning two team-of-the-month awards, and finishing with league cup glory once again by defeating Windsor 3-1.

We were transferred into the Combined Counties League for the 2019-20 season, playing on our new 3G pitch facility, which transformed the club by facilitating more of our teams' matches and training at The Racecourse. The stronger platform facilitated further player development, and Jamie's young side would lead the table for long periods before establishing what looked like a title-winning margin at the top shortly before the league was aborted due to Coronavirus. Retaining much of the same squad for 2020-21, Jamie saw his side in and around the challengers before another pandemic-curtailed season, although they battled through to the league cup final where they were ultimately beaten on penalties by Redhill.

In 2021-22 Ascot finished 6th in the league, but the highlight was an eye-catching run to the final of the Berks and Bucks Senior Cup Final where they defeated three sides from higher divisions, including Wycombe Wanderers in the semi-final front of a club-record crowd of 1,267. For the current season, Ascot have strengthened their squad and made further ground developments; hopes are high that they will now push for the promotion they were cruelly denied in 2019-20.

The club has also enjoyed much success at all levels particularly in the Ladies and Girls Section where they are regularly winners of leagues and county Cups. Our senior Ladies won promotion to the Premier Division of the Southern Region Women's Football League in 2017-18 and enjoyed their best season on 2021-22 with a top-four finish and a run to the First Round Proper of the FA Cup. Meanwhile, our Ladies Reserves won every league match of their Thames Valley League Division 3 campaign to secure promotion, also reaching the league cup final.

CLUB HISTORY - FLACKWELL HEATH

Flackwell Heath FC Club History

Flackwell Heath FC was founded in 1907 and the club joined the High Wycombe and District League for its inaugural season. The Heathens proved to be a major force in local football, winning twelve Wycombe League championship titles and fourteen High Wycombe Senior Challenge Cup finals.

In the 1950's Flackwell joined the Great Western Combination League winning this league twice before returning to the Wycombe League. In 1956 the club moved to its current home, the new ground being donated by the Wilks family.

Through the 60s and 70's the club continued their success on and off field and the new clubhouse was built in 1974 as the first stage of their rise into senior football. In 1975 The Heathens won the Berks and Bucks Intermediate Cup and the Reading Senior Cup. In 1977 the club achieved Senior status and moved up into the Hellenic League Division One. Promotion to the Premier Division was achieved at the first attempt. After five seasons in this league, during which time floodlights were installed at Wilks Park, Flackwell were elected into the Athenian League. In 1984 they joined the expanding Isthmian League. The clubs first season in this competition saw them playing in Division Two (North) and against some tough opposition they finished in a respectable eighth position. The following season Flackwell was switched to Division Two (South) where life turned out to be even tougher. At the end of season 1990-91, after finishing below midtable, The Heathens found themselves placed in the newly formed Ryman League Division Three. At this stage the club installed a 150-seater stand to stay in senior football, and new home changing rooms were built to comply with new ground gradings. For the next 10 years the club carried out further ground improvements and they established themselves in senior football.

In 2002/03 for the first time in their history Flackwell reached the 4th qualifying round of the FA Cup losing 4-1 at home against Crawley and finished third in the newly formed Ryman League Division Two, the highest position achieved to date.

In season 2004/05 The Heathens reached the 4th Qualifying Round of the FA Cup for the second time in three years, this time losing 3-0 at Ryman Premier Division Billericay Town and were runners-up in the Ryman League Associate Members Cup, losing 2-1 after extra time to Division Two champions Ilford on their own ground.

Flackwell finished fourth in Ryman League Division Two in 2005/06, narrowly missing out on promotion.

After the end of 2006/07 the FA reorganised the non-league pyramid and we were due to be relegated into the South Midlands Spartan League until Barking and East Ham United went out of business, and we were given the opportunity to take their place in the Ryman Division One (North). Unfortunately, we finished bottom of the league and were relegated into the Hellenic Premier Division for season 2008/09.

The 2014/15 season saw us gain promotion into the Southern League Division I. However, a late move by the Southern League of us from the Central Division into the South West Division meant FHFC were unable to accept promotion and we stayed in the Hellenic League Premier Division for season 2015-16. 2014-15 also saw us with places in the final of the Berks & Bucks Trophy (losing to Windsor FC) and the High Wycombe Senior Challenge Cup (winning against Penn & Tylers Green FC). Earlier that season we reached the fourth qualifying round of the FA Cup losing to Conference side Weston Super-mare 4-1. For the first time in club history we also reached the last sixteen of the FA Vase losing 3-2 to Shaw Lane Aquaforce. 2015/16 season under the continued management of Graham Malcolm assisted by Paul Shone saw us finish 3rd in the Hellenic League also winning 3 cup finals – the Berks & Bucks Senior Trophy (against Newport Pagnell FC), the Uxbridge Challenge Cup (against Brackley Town Saints) and the Wycombe Senior Cup (against Pitstone and Ivinghoe FC). After Graham Malcolm's decision to move to Spain, Paul Shone took over the managerial role assisted by Sean Kelleher. Unfortunately, this combination did not work out and in November 2017 they were replaced by Marcus Richardson, formerly of Highmoor Ibis FC, assisted by Fabian Coultriss. Marcus had to start rebuilding the team from scratch, bringing in lots of young players and former Youth team players. That season the team finished a respectable 5th, following with 8th position in 2018/19. The past 2 seasons have been limited by Covid-19 restrictions with our 2019/20 season finish of 9th, with games in hand, being declared null and void. The past season was similarly curtailed, leaving FHFC top of the Hellenic League having only lost one game.

However, FA promotions and restructuring using a points per game system saw us finishing 4th over the previous 2 seasons, thereby missing out on promotion for 2021/22. The restructuring has seen us take up a place in the Spartan South Midlands League, Premier Division. This disappointment was tempered by a very successful run in the 2020/21 FA Vase. FHFC reached the Quarter Finals for the 1st time in their history finally losing to US Portsmouth FC 2-0. Chris Ayres took over the 1st team management mid-way through the 2021-22 season, finishing in 6th place. The new season 2022-23 has seen FHFC move yet again, this time to our preferred League, The Cherry Red Records Combined Counties League, North Premier Division. Chris Ayres continues as manager, assisted by Paul Shone.
