IN MEMORIUM - PAUL SARIN

We are deeply saddened to share that during our recent away match at Hanworth Villa on Saturday 29th March, we tragically lost one of our own. Paul Sarin – a familiar and much-loved face at Ascot United and Bracknell Town – became seriously unwell at the side of the pitch and sadly passed away later that day.

Paul, aged 53, was a devoted husband, loving father, and passionate supporter of grassroots football. He was also the brother-in-law of Neil and Lisa Richards, and a dear friend to many across the local footballing community. His sudden loss has left a huge void in our club and beyond.

We're asking the wider football family to stand with us in supporting Paul's wife and two children at this incredibly difficult time.

IN THE CHAIR

Simon Negus
Chairman

A warm welcome to Westfield for today's Pitching In Isthmian League South Central Division fixture.

Welcome to The Racecourse and today's Isthmian League fixture against Westfield.

It feels like we have been saying this for a while now, but the next couple of games are crucial as we seek to regain our place in the playoffs. To even be saying that demonstrates the huge strides forward we have made this year, and we need every fan to really get behind the team starting today. We're at the stage of every point, every goal, every save making the difference.

In terms of success, last weekend saw the hugely deserved but hard fought promotion of our Women's First Team - winning the league as Champions and now earning a place in the Women's National League... this is an incredible achievement for a club like Ascot Utd, and one that I am so proud of. The players have been fantastic all season, but I would like to draw particular focus on a few other people. Firstly Andy Cox, who stepped into the management seat at a difficult time for the club, and who has led the team so admirably alongside his coaching role with the U18's - thank you Andy. And then to Donna Wilson who as Director of Football has worked tirelessly in the background to make sure all of the foundations and support has been in place - she should take great credit for the way the whole section is thriving all the way from the youngest kids through to the senior teams. And similarly Ricky Simons, our Club Secretary, who constantly goes over and above the call of duty and is a huge supporter of the Women's team. And finally, none of this would have been possible without one man who has worked for many years to develop and grow Women's Football at Ascot Utd... he is so humble but everyone knows and recognises that last Sunday was a fitting reward for his efforts. That man is the legend Darrel Evans - thanks for everything.

Our next game against Hanworth Villa on Tuesday night is sure to be an emotional evening, and above in this programme you will be able to see how you can join the club in supporting the family of Paul Sarin... our thoughts continue to be with them.

Enjoy the game today and Up The Yellas! ~ Simon.

FROM THE DUGOUT

Jamie Tompkins
First Team Manager

Welcome to the players, officials and supporters of Westfield. Enjoy the game!

Good afternoon and welcome to The Racecourse Ground for today's game against Westfield. We're getting into the business end of the season now, and every point, every moment, and every ounce of energy matters.

We're still right in the thick of the play-off race, and I believe we will get there. But belief alone isn't enough. We have to be better in key moments, particularly in the final third, where games are so often won and lost. We're creating chances, but we need to be more ruthless and execute when it matters.

That said, this isn't just about the players. This is the time of year when the role of our supporters becomes absolutely vital. We need everyone behind the team, loud and passionate, from the first minute to the last. You can drive the lads on the pitch. It can be the difference in tight games.

On behalf of everyone at the club, I also want to pass on huge congratulations to our women's team, and to Andy, Will and the staff, on their promotion to the National League. A brilliant achievement that reflects the hard work and talent in that group. The whole club is proud of you.

Let's be noisy, let's be united, and let's keep pushing all the way to the finish line ~ JT.

ON COURSE!

With Programme Editor Neal Jeffs

Welcome to the players, officials and supporters of Westfield for this Pitching In Isthmian League South Central Division match.

WELCOME TO THE SMART FELLAS

Welcome to The Racecourse for this afternoon's crucial game with Westfield. There are just two weeks of the season remaining and five games to play, and even though we slipped out of the play-offs for the first time in a long while last weekend, its still in our hands – and a result at Hanworth Villa on Tuesday would make things even tastier! Just above us, Hayes will probably beat Binfield today but Kingstonian have a tough game at Farnham, whereas below us red-hot Moneyfields will surely win at Ashford although Leatherhead have it tough at home against Hanworth Villa. We've just got to focus on getting a win today. The reverse fixture was crazy as we were losing inside around 20 seconds and then quickly 2-0 down before fighting back to win 3-2 courtesy of the main man Ben Harris. Onto our Women's team and as you will now all know it was a magic day last Sunday when their title and promotion dreams finally came true with a 7-0 win over Selsey. The Yellawomen can now look forward to playing Swindon Town, Bristol Rovers and Maidenhead United next season in the National League South West – assuming that is where they are assigned – as their journey in the 4th tier begins. But there s a cup final before all that on 27th April and a good chance of doing the double.

WESTFIELD WINDBACK! Ascot United were under pressure early-on in the reverse fixture and Mark Scott was in action in the first half as his side went 2-0 down, but Ascot fought back to win 3-2 and bring 3 points back to Berkshire.

Last weekend the FA Trophy and Vase finalists were decided. What I failed to grasp is why the Trophy semi-finals were one leg but the Vase semi-finals were two legs!!! Either way it didn't make much difference in the Vase as both Whyteleafe and Whitstable comfortably held onto their first leg leads to make it another FA Vase Final dominated by southern-based teams. It used to be something of a northern monopoly with Whitley Bay, West Auckland and all those teams form the North East doing well. Now, its swung the other way and you have to go back to 2021 when Warrington Rylands made it to Wembley; since then the 4 finals have all involved southern sides. In the FA Trophy, the Aldershot v Spennymoor tie could see only the 2nd team to lift the Vase and Trophy in their history after AFC Fylde completed the double in 2008 (Vase) and 2019 (Trophy); Spennymoor won the Vase in 2013. Finally, a reminder that our rescheduled match at Hanworth Villa is next Tuesday. Sadly I can't be there as I am in the US, but I will be there in spirit especially as it will be such a poignant, emotional affair. Enjoy the game today ~ Neal.

It's that time of year again where we dust down the famous National Game Awards glass decanters and prepare to celebrate the big winners of the 2024-25 season – and we need your votes and nominations!

With plenty still to play for, of course, this year's NGAs are very much up for grabs but our inbox is starting to fill up with some great suggestions and piks.
The NGAs will be held at AFC Wimbledon's Plough Lane Stadium on Wednesday May 14.
Once again, we are delighted to confirm that Isuzu UK have agreed to become title sponsors again, adding The NGAs to their current sponsorship of Non-League's two premier cup competitions, the FA Trophy and FA Vase.

Isuzu UK continue to be a driving force behind grassroots football in the community with a large number of dealerships from all over the country becoming actively involved in their local clubs.

We remain proud and hugely grateful for their support and look forward to working closely with the Isuzu UK team when it comes to selecting the winner of our much-loved Unsung Hero Award.

The NGAs have become a Non-League institution over the years – and that's thanks largely to the strong backing it receives – without this, we simply couldn't honour the great and good of the Non-League game with our now iconic decanter, provided once again by our friends at Supreme Engraving.

This year, we introduce to you a brand new award. With social media having an ever increasing presence in bringing football clubs closer to their communities, we have created a Digital Media Award to honour those who have provided the best content over various media platforms.

We are also delighted to welcome The Sports Circle to this year's event. They will be honouring the Player of the Year for their outstanding contribution this year.

UK teamwear and clothing company Moving Forward Sports are back for a second season; Community Club of the Year award is their category.
Huck Nets have once again put their name to the Goal of the Season accolade, while Reusch are also back — they couldn't wait to once again get their hands on the sponsorship for this season's Goalkeeper of the Year award.

Sports Ground Development are back to present the Manager of the Year award, while the Team of the Year Award will be as hotly contested as ever.
Our friends at Sportsbeat sign up once again – they didn't need asking twice to support the Young Player of the Year, while SK Kits will honour Non-League's top goal getter with the Golden Boot award.

The NLP Lifetime Achievement award is one of our personal favourites, while The Football Supporters' Association Away Day Experience of the year recognises the efforts clubs make to cater for travelling fans.
The FA are also back on board to acknowledge the winner of the Cup Run of the Year, judged on the FA Cup, Trophy and Vase. Tamworth and Sittingbourne, in particular, will fancy their chances there.

The Step 3&4 Player of the Year will be hotly contested as well with so many in so many staking their claim across those divisions.

ASCOT AND ASHFORD DRAW BLANK

Hosts fall out of play-off places

Saturday 5th April 2025, Pitching In Isthmian League South Central Division,Ascot United 0 - 0 Ashford Town (Middx)

PLAY-OFF chasing Ascot United and relegation-threatened Ashford Town drew blank in a game that ultimately did more for the visitors' prospects.

The hosts created several chances in the first-half with visiting 'keeper Marcin Brzozowski keeping them at bay. The best of his saves came in the 18th minute when he quickly re-adjusted his feet to tip Harvey Harry's shot onto a post, before thwarting Harry again when one-on-one and then beating Khalid Simmo's thunderbolt away in the aftermath (pictured, below left, shooting-stars.co.uk).

Ashford improved after the break, although Jack Arnold shot weakly at Mark Scott when he should have done better before Prince Kandolo saw an effort deflect wide.

But they saw Barta Mirtahmasebi red carded in the 90th minute after which Ascot pressed for a winner. And, they night have scored one with the last kick of the game had substitute Connor Holland not fired over when well-placed.

ASCOT UNITED WOMEN

ASCOT UNITED SECURE TITLE GLORY

Yellawomen in seventh heaven after winning promotion

Ascot United Women turned on the style as they beat Selsey Women 7-0 to secure a maiden Southern Region Women's Football League title. After a nervy start, the home side eventually found their rhythm as Beth Lloyd bagged a hat-trick in a title-winning performance that helped propel her side to tier four of the football pyramid.

Scene set for potentially historic day

Having been awarded three points three days earlier for Winchester City's match forfeit several weeks earlier, Ascot knew that a win on Sunday in front of their own fans would guarantee them the title. And, with visitors Selsey bottom of the table and winless in the league all season, the odds were very much in the home side's favour. Liv Glover returned from injury up-top, Ella Rowntree also made a start at left-back with Sophie Allen in goal, and there was a senior squad debut for Poppy Williams. 2pm came, and an expectant crowd buckled in for the ride.

Selsey ask questions but Yellawomen are clinical

In a nervy opening for Ascot, Allen was called into action after just two minutes by parrying away Lucienne Selvester's early effort. The home side were forced to reshuffled just a minute later when Jess Drage suffered a serious-looking knee injury, although Keziah Banduka came off the bench to replace her and would be a stand-out performer on the big stage. When Ascot finally got going they forged ahead with their first meaningful attempt. Bella Cox dug out a cross from the left, Lloyd did well to keep the ball in play at the far post, and she slid the ball across for Leah Littlechild to side-foot across Millie Delamont and into the bottom left hand corner. But Selsey showed quality belying their league position and Allen would get down well to save Isabelle Childs' shot to the near post soon afterwards. Cox then hobbled off injured with Leah Robertson becoming Ascot's second substitution inside 23 minutes, and her time would come later in the half. Before that, Allen showed good hands again to claim Selvester's long-range free-kick at the second attempt, and then The Yellawomen struck a crucial second. Glover sent Littlechild galloping clear down the left, she slid an inch-perfect ball across the penalty area, and Robertson was on hand to side-foot into the bottom right-hand corner; 37 minutes played. And, shortly after Phil Holden had fired over in first-half stoppage time, the home side scored what would surely be a killer third goal. This time, Erin Huntley picked the ball up in the middle, drove forwards, and cracked an unstoppable effort from 25 years that sailed over Delamont and into the top left hand corner.

Champagne second half sees Yellas run away with it

After the break, the home side relaxed into their usual, free-flowing football and signalled their intent early-on when Kate Fox's header cannoned back off the crossbar. But when Lloyd nonchalantly toe-poked home number four from the edge of the box in the 51st minute, the corks were ready to be popped. Glover showed great feet to tee herself up for a shot that sailed narrowly over after latching onto Alix Todd's 66th minute pass, but Lloyd converted number five – taking her tally to an Ascot step-five record 21 goals in a season – when she buried Sophie Doyle's cross in the 73rd minute; Doyle having only been introduced seconds earlier. Glover then scored a beauty in the 90th minute, slaloming through a succession of tackles and keeping her feet to fire into the roof of the net, but just as the home fans had started the celebrations behind the goal, Lloyd would keep her composure to slot home in added time to complete her hat-trick – number 22 for the campaign - and make it 7-0.

"It's what they've waited for"

Having finished runners-up in each of the last two seasons, this was the title that the home faithful have waited patiently for. Jubilant manager Andy Cox stepped in to take control earlier in the season and will now add a Step 5 championship to his CV. Initially choked, but then later speaking after the game, Cox said "bring it on, onwards and upwards. We've got the momentum with us now". And, on the terraces there were faces beaming with pride – but none moreso than former manager Darrel Evans. Associated with the team for so long, he led The Yellawomen from Step 7 to Step 5, and could barely contain his emotions. Whilst Step 4 football now awaits them, in this tranquil corner of Berkshire on Sunday 6th April 2025, The Yellawomen are basking in glory. What a day, what a team, and what a season.

CHAMPIONS - WOMEN'S BOSS FACES Q/A (1)

As reported on ascotunited.net earlier week, first team manager Andy Cox answered the questions after leading his The Yellawomen to a historic league title last weekend.

Following Ascot United Women's historic title-winning weekend and promotion to Step four of the football pyramid, ascotunited.net caught up with manager Andy Cox now the euphoria has died down. Actually, it hasn't – for everyone around the club – let's lap this one up! And, he took time out on his own travels to answer our questions. Here you go...

Andy, firstly many congratulations to you and the team on securing the title and promotion, can you sum up for us what your emotions were just after full time?

"Mixed Emotions; Finally! Ecstatic! Thoroughly deserved! I felt all of them. On the day I could feel a nervousness not only in the dressing room but around the ground. Having come so close during the previous years, a massive weight was lifted off everyone's shoulders. This showed in the way we started the game. Once we scored the first goal, I knew we were on our way. This squad is too good not go have gone on to have won the game from there. If you could have written a script on when we won the league, it would have been a home fixture with a heavy win, and a Beth [Lloyd] hat-trick in the final minute to break [our] league goalscoring records."

Looking back on when you first stepped into the role, what were you feeling and what were your aspirations?

"Recruitment before my time was a big part in winning the league this season. These foundations were already in place when I stepped in. With the quality in the squad, I would have seen it as a massive failure to not have taken this squad to the next level. I had work to do to steady the ship and the players deserve credit in performing to the highest levels week in week out. The balance of the side needed addressing and we picked what we believed were the best 16 players available to us from a squad of around 20-25 who played weekly."

We got over the line last weekend with an ultimately comfortable win over Selsey, but looking at them early-on the fans were thinking "why are they where they are in the league?" They asked a few questions of us, so what's your take on them, the game, and how we managed it?

"They were a young physical side with nothing to lose; we were nervous the first 15 minutes but the game but settled after the first goal. Our experience in controlling games when in front has been a key point in getting us over the line this season. It was difficult going in at half time 3-0 up knowing that we had pretty much won the game and league. But, yet again, we stepped up our performance and put on a champagne display to win the game in style."

This season we've had the benefit of great support on the terraces with the best away following in the league; we go back to Sholing on a stormy winter away-day with 30-plus travelling down . With so many youngsters we are also reliant on parents, partners and friends to facilitate it all. What do you have to say to them?

"THANK YOU! Football is an entertainment sport, and we hope we have put in performances that have been as good as your support has. The noise around the game at the final whistle showed what this meant to everyone at this club. The banner was a great touch to worthy champions, both on and off the pitch."

CLUB HISTORY - ASCOT UNITED

Ascot United as we know it, was founded in 1965 by a men's team who played their games at Sunninghill with "after match meetings" in The Wells in Cheapside village (now Mikado's). Teams played as long ago as 1928 under the name "Ascot United" but nothing to link them directly to the current club. In 1965, the club had gained permission from the Ascot Racecourse Trustees to convert the land east of coach park 10 into a football pitch. A wooden clubhouse was built, and this team went on to win many prestigious trophies in the years that followed.

Various youth teams represented Ascot United over the years up to 1988, and in 1992 the East Berks 7-a-side Association was formed by our then Chairman Keith Wicks, introducing small-sided junior games and having disbanded in 1980 the men's team also reformed. The men's senior team enjoyed early success through the East Berks League gaining continued promotions to the Senior division and winning various Cups including the Fielden Charity Cup in 1996/7. In 2001, the First Team join the Reading Senior League, were awarded FA Charter Standard status in 2004, and won the Reading Evening Post Senior Cup at the Madejski Stadium in 2006. Promotion to the Hellenic League Division 1 soon followed in 2007, before promotion to the Premier Division in 2009.

"The Yellamen" made their debut in the FA Cup in 2011 with a home tie against Wembley FC. The game attracted 1,149 people to The Racecourse on a Friday evening where the famous trophy itself was on display, and the match was streamed live on Facebook. In 2012-13 and 2015-16 we reached the Quarter Final of the FA Vase twice, enjoyed two top-three finishes in the Uhlsport Hellenic League Premier Division, and won both the Bluefin Sport Challenge Cup and Perpetua Press Floodlit Cup. In 2018-19, new manager Jamie Tompkins led his side to the top of the table for long spells, and although they couldn't hang on to their lead, they would taste league cup glory once again by defeating Windsor FC 3-1.

A lateral move to the Combined Counties Premier Division for the 2019-20 season, combined with the installation of a new 3G pitch provided a platform for further development both on and off the pitch. The Yellamen were clear at the top of the league before COVID curtailed their first crack at the title before the 2021-22 season saw them reach the Bucks Senior Cup Final after defeating three sides from higher divisions, including Wycombe Wanderers in the semi-final in front of a club-record crowd of 1,267.

However, it is the 2022-23 campaign that will surely remain the club's most successful for decades to come. Tompkins' side dominated the league, taking 102 points from 38 league matches to win the title with four matches to spare. And if that wasn't enough, they achieved an incredible double by lifting the Isuzu FA Vase at Wembley in front of over 4,400 travelling Ascot United supporters and the BT Sport cameras. Impressively, they entered in the very first qualifying round before winning ten matches in a mesmerizing run; Kai Walters heading home in the 79th minute to secure a 1-0 win over the then-holders Newport Pagnell Town. After securing promotion to Step 4 for 2023-24, which was ultimately a season of consolidation in finishing mid-table, the 2024-25 campaign provides an opportunity to improve once again.

The club has also enjoyed much success at all levels particularly in the Women's and Girls Section. Our Senior Women won promotion to the Premier Division of the Southern Region Women's' Football League in 2017-18 and were runners-up in both 2022-23 and 2023-24. Our Women's Phoenix side achieved back-to-back promotions from the Thames Valley League to take their place just one level below the Senior side for 2023-24, and the Junior Premier League (U18s) also won their league title at the first attempt in 2022-23 and were runners-up in the league cup in 203-24.

Ascot United has grown to become one of the largest Community football clubs in the UK with over 1,000 registered players and over 90 teams playing every weekend embracing all ages and abilities from 5 year olds through to veterans. We are also extremely proud to have a mixed-ability team representing our club, the Ascot United Warriors, who are affiliated with Special Olympics GB.

CLUB HISTORY - WESTFIELD

Westfield FC Club History Westfield Football Club was formed in 1953 as Westfield Boys Club, playing in the Woking and District League and also running a youth team. The 1950s From the start the Club had success in the competitions it entered. Among the trophies won in the early years were the Surrey Youth Invitation Cup in 1953/54, the Surrey Junior Charity Cup in 1954/55 and 1955/56, the Surrey Junior Cup (at the first attempt) in 1955/56 and the Surrey Youth Cup in 1956/57. Following several seasons in local league football, the Club made the break into Surrey Intermediate football using the present ground at Woking Park, Kingfield. Successes soon came and, after becoming League Champions and Cup winners on several occasions in the subsequent seasons, the Club decided to apply for senior status. The application was accepted in 1964 and after one season in the Parthenon League, Westfield met the necessary ground grading requirements and joined the Surrey Senior League.

The 1960s Westfield's future success in senior football sprang from their ability to attract the best local youngsters, ably coached by manager John Martin and assistant Kenny Moody, with Les Butcher in a scouting role, and they were successful in winning the Surrey Youth Cup again in 1966/67 and 1969/70, and the Surrey Youth Shield in 1969/70 and 1970/71. This talent matured and there followed three tremendous seasons for the senior side, when they won the Surrey Senior League Cup in 1971/72, followed by the League and Cup double in 1972/73, and the League Championship again in 1973/74. The 1970s and 1980s The Surrey Senior League was disbanded and reformed as the Combined Counties Football League in 1978, and Westfield FC became founder members and retained membership until 2018. Success, however, was more difficult to achieve and in recent times the closest the senior team came to honours was in 1989/90, when they lost the final of the Combined Counties League Cup to Hartley Wintney in extra time. Westfield's Youth team won the Surrey Youth League's U18 Division Cup in 1978.

2000-2003 During the early 2000s, with former Woking player John Cassidy as manager, the senior side improved their league position, finishing sixth in season 2000/01. That season saw the Club enter the FA Vase again, having only previously entered in 1974 for 3 seasons, performing beyond expectations before losing in the Fourth Round to Ryman League Arlesey Town, on the way beating Wantage Town, Sidley United, Lewes and Bowers United. Season 2002/03 saw Westfield enter the FA Cup for the first time, losing at home to Dorking in the Preliminary Round. Westfield continued to compete at youth level and they won the Combined Counties Youth League Cup in 1991/92, as well as being runners-up in the League. Following the installation of floodlights in 1999, the U18 team joined the Southern Youth Floodlight League as members of the Western Division. The Club also ran a Youth team playing in the West Surrey Boys League, winning the U14 Challenge Cup and Premier Division in 1999/00, the U15 Premier Division, Challenge Cup and Surrey County Cup in 2000/01, U15 Division 2 in 2002, the U16 Premier Division in 2001/02, and the U15 Division 2 in 2002/03. 2003-2006 Following the end of the 2003/04 season, Westfield lost both First and Reserve Team managers. John Cassidy moved to Frimley Green, and thereafter back to Farnham Town, and Graham Pope moved to Godalming & Guildford to manage their reserve team in the Suburban league. Westfield recruited Paul Donaghy from Guildford-based Merrow as firstteam manager, and Dave Robson – long-time Westfield player – took over the reserves.

CLUB HISTORY - WESTFIELD

At the end of 2005/06 Westfield were relegated to the 1st Division, due to new groundgrading regulations after a very acrimonious conflict with the league. Numerous commitments from league officials were reneged upon, and after months of appeals and meetings, Westfield had to accept their unwelcome fate. After a mid-table Division 1 season and partly because of the league-enforced relegation, Manager Paul Donaghy decided to resign as First Team manager to join Godalming and Reserve Team manager Dave Robson also quit. The team of ex-player Martin Powell, exSpurs stalwart David Howells and coach John Comer took over the running of the senior teams for the start of the 2007/08 season.

2007-2010 In the close season of 2007/08, following a highly credible 4th place finish, Martin resigned as manager due to personal circumstances; his departure signalled the exits of both David Howells and John Comer. In July 2008 the position of 1st Team Manager was filled by Steve Plunkett, the ex-Godalming Town Reserves boss, though he was replaced within 4 months by the returning Dave Robson, as the club attempted to rebuild following a mass exodus of players. Dave Robson did a fine job stabilizing the club, but after an indifferent 2009/10 was replaced by joint managers, Craig Moore and John Comer.

Off the pitch there was good news, as building of the new facilities commenced in 2010/11 and it promised to be a good season as the management duo assembled the best squad since the 2008 season. However, despite some wonderful results, the team struggled to find consistency and finished a disappointing 13th in the table. There was better news for the reserves who finished 4th in the reserve league, and reached the final of the league cup, where they went down to double-winning side Mole Valley SCR. 2011-2015 During the summer of 2011, Craig Moore decided to step down to concentrate on playing, leaving John Comer as sole manager. He promoted Kevin Bailey from the reserves to be his assistant, and following Dave Kelly's resignation as reserve team manager appointed David Robertson. In May 2011 the old pitch was dug up and raised a metre, before being re-seeded and in June the old Clubhouse was demolished.

The club moved into the new facilities in August 2011 with a thrilling opening match in the FA Cup against Peacehaven & Telscombe, in which the Sussex side eventually ran out 6-3 winners, in front of a crowd of 190. The following month a new record attendance for a league fixture at Woking Park was set when 325 witnessed the fixture against Guernsey. The season saw another improvement on the pitch, where a position of 8th was achieved, and the team reached a cup final for the first time in nearly 20 years. However, they went down 4-2 to Warlingham on the day. The following season the Club gained promotion in third place and played Walton Casuals Reserves in the final of the Surrey Premier Cup, going down 2 goals to 1 in a close game. In season 2013/14, with John Comer continuing as manager, the Club had their best league finish since 1981, ending in fourth place. With John Comer's departure, Martin Beard was appointed for the 2014-15 season.

CLUB HISTORY - WESTFIELD

After a run of indifferent results, Martin was replaced by Dan Snare, who improved the side to finish mid-table. 2016 to date For the 2016-17 season, Tony Reid was appointed manager, and enjoyed a stunning season, finishing second in the League behind Hartley Wintney and winning the League Cup in May. The following season the Club continued to play exciting, attacking football, scoring an amazing 145 goals, whilst conceding only 45, and became deserved Champions with a fantastic 106 league points. As the 2018-19 season began, we said farewell to the Combined Counties League after 40 years of continuous competition and started an exciting journey into Step 4 of non-league football. Having lost some key players from the previous campaign, it took several months for Tony Reid to find a settled side, but then after Christmas a wonderful run of 13 wins, 4 draws and 4 defeats saw Westfield finish in fifth place, to gain a play-off place and our highest-ever league finish. A close semi-final play-off defeat to Bracknell Town did little to detract from a remarkable achievement. 2019-20 saw Tony's team again keep up the pressure at the top of the table, and were lying in a playoff position before the season was curtailed by Covid-19 cancellations, leading to the whole Isthmian League being declared null and void with 28 out of 38 league games played. By that time, the manager had decided to look for a new challenge and unfortunately many of our long-standing players took the same decision. It was a disappointing end to a great few years. Into the fray for season 2020-21 stepped new manager Simon Lane, who had the not inconsiderable task of building a team almost from scratch, and his young team began to build some momentum, but with only 5 league and 2 cup games, the season was again curtailed in November.

Season 2021-22 saw the Field play out their first full season since the 18/19 season, but it was rather one to forget as the Field finished in 16th, two places above the relegation zone, albeit still 13 points clear of 18th placed Chalfont St Peter. Season 2022-23 started off positively, as the Field recorded two historic 4-0 wins over league favourites Leatherhead and Basingstoke Town, as well as making history by getting to the Second Qualifying Round of the FA Cup. A big shake-up happened mid-season as Manager Simon Lane left the club in February 2023 to join Step 3 side Kingstonian, and was replaced by former Arsenal and Woking midfielder Ian Selley. Selley guided Westfield to a respectable 12th placed finish, as well as an Aldershot Senior Cup Final, but they lost out 2-0 to Badshot Lea in the final.

The 2023-24 season was a successful one, as the Field marked their best ever finish at this level by finishing 5th, securing a spot in the play-offs. They were unfortunately defeated by 2nd placed and eventual play-off winners Marlow in the semi-finals after the score ended 3-2 in extra time. It was not all doom and gloom however, as the Field made it to yet another Aldershot Senior Cup Final against Badshot Lea, this time lifting the trophy after a penalty shootout win. This proved to be Ian Selley's last game as Westfield Manager, as he joined Leatherhead ahead of the 24/25 season. Andy Crossley was named as the successor to Selley, but in the role of Player-Manager. His new look back-room team includes Assistant Managers Dave Powell and Jake Baxter, as well as coaches Kev Cleary, Ben Knight and Damian Lynch, as well as Physio Katie Williams.
