IN THE CHAIR

Rob Jones
Chairman

A warm welcome to South Park (Reigate) for today's Pitching In Isthmian League South Central Division fixture.

Following the frustration of the Men's exit from the FA Trophy on Saturday we return to league action tonight. Going out on penalties is always hard to take, more so when we were leading 4-2 at one point in the shoot out!

I was delighted that the women won the battle of Berkshire on Sunday against Maidenhead United. The team showed great determination as they were trailing on two occasions before winning 3-2 and moving up to 5th in the table.

On Friday, Neal Jeffs sent me an article about Ascot United that he had written for a fanzine "The Scarf my Father Wore". I was intrigued when Questions 8 and 9 were

"What's your thoughts on Stockport County?", and
"Have you ever visited the town of Stockport before?"

Stockport is my home town and Stockport County is the professional team I go and watch when I have the time (8 times last season!) Anyway Neal's article is great and you can find it by clicking the badge in the top right hand corner of this page if you haven't already seen it.

I would like to welcome the players, supporters and officials from South Park. With only one place between the teams it promises to be a close match.

Enjoy the game! ~Rob

FROM THE DUGOUT

Gavin Smith
First Team Manager

Welcome to the players, officials and supporters of South Park (Reigate). Enjoy the game!

Two games have passed since my last notes and unfortunately it sees us losing out to Kingstonian in the league and exiting the FA Trophy on Saturday.

The K's game was a very lively game which overall we were pleased with the level of performance from the lads but from our point of view we definitely had a part to play in both their goals. We gave a side a 2 goal lead to defend and it this level and with the experience they have in their back line it was always going to be a tough ask to get anything out the game. A goal back, probably a bit too late, gave us some hope, but the earlier mistakes meant we would come away with our first home defeat.

Saturday saw us in FA Trophy action where we went away to Hadley; a side sitting in the play offs in their league. After the first 20 mins where we were comfortable and dominant I would never have seen us looking like getting knocked out of the competition. We took a deserved lead through a well worked goal and had some real good passages of play, but a bit of complacency and poor decision making saw us defend a number of corners and long throws and eventually we conceded and went in at 1 all at the break.

We did have a really good goal ruled out for a questionable offside that I still haven't got over, that may have made some sort of difference to the game.

The second half was a tough watch with neither side doing enough to win the game; they scored with 10 left and we equalised quickly after to take the tie to pens.

The lottery of pens saw us have the chance to win it but missed, then they had the chance to win it and Kie pulled off a great save to keep us in it, but unfortunately another miss gave them another chance and they made no mistake second time around.

So, back to league action this week starting at home against South Park tonight who sit level with us on 9 points. We will looking for a positive response to the disappointing week and will be looking to get another 3 points on the board. Enjoy the game. ~Gavin

ON COURSE!

With Programme Editor Neal Jeffs

Welcome to the players, officials and supporters of South Park (Reigate) for this Pitching In Isthmian League South Central Division match.

WELCOME TO THE SPARKS

Welcome to The Racecourse for tonight's visitors from Reigate. Whilst I didn't travel on Saturday with so much to do at home, I felt for the squad having seemingly had a decent goal ruled out in normal time and then gone through the penalty shoot-out wringer when we had a chance to go through. And, now they've drawn Dartford at home, which would have been a nice one for us with their pedigree, but never mind and onto the next one. I am sure we wish them well, by all accounts a nice club who welcomed us, according to Dan. Tonight's game pitches two sides on nine points against other, and if you were a betting man going on form you would not put your money on a draw given our records are both 3-0-3! Last weekend was also FA Vase action, and I always like to look at local teams or teams we have played before. For the record, teams we beat in our triumph in 2023 - Buckland Athletic, Newport Pagnell, Bridgwater, Corsham and Little Common - all won.

QUIRK OF THE DRAW! Bournemouth Women visit Ascot next weekend in the league cup with striker Sophie Quirk in their line-up. Quirk went to Charters School before pursuing a football career and most recently played Championship football.

Locally, Wokingham lost on penalties and Virginia Water also lost at home. Onto the Women's section and there is so much to report on. Last Sunday's comeback win at Maidenhead for our Women's side put them top of the pile in Berkshire for the first time in their history. But the next two weekends are massive as this Sunday they entertain tier-3 side AFC Bournemouth in the League Cup on Sunday. The Cherries are rumoured to be bringing a lot of fans and are currently top of the National Premier. Local girl [to here] Sophie Quirk now plays up front for them having signed from Championship side Portsmouth. It'll be quite an experience for our side! And the following Sunday we are in FA Cup action at Actonians; the draw wasn't kind to us as they are a fellow tier-4 side and we could have drawn anyone down to tier 7. Well, you have to beat everyone in front of you if you want glory I suppose. Anyway, enjoy the game – its Tuesday night under the lights. ~Neal

ASCOT SUFFER SPOT-KICK HEARTBREAK

Hadley beat Yellamen in sudden-death shoot-out

Saturday 20th September 2025, Isuzu FA Trophy 2nd Qualifying Round, Hadley 2 -2 (7p6) Ascot United

Ascot United bowed out of the Isuzu FA Trophy on Saturday after losing 7-6 on penalties at Barnet-based Hadley. Having led early-on before seeing the home side turn the game on its head, The Yellamen levelled late in the game only to bow out in sudden-death penalties after missing one which would have sent them through.

Khalid Simmo's early shot had signalled an early warning to the host as it flashed narrowly wide, but when Fope Deru slipped Cheick Sylla in with 17 minutes on the clock, there was only one outcome as he held off his marker and slotted the ball into the bottom corner.

However, Lenny Asamoah then nodded the home side level from a corner in the 27th minute, and although Ascot had the ball in the net before half-time, it remained level following an offside flag.

Asamoah's fine turn and finish gave his side what looked like a match-winning goal with nine minutes remaining – not long after his side had seen an effort cleared off the line – but an own-goal brought Ascot level with six to play.

Two-all it finished and went straight to spot kicks. The first five were scored, Kie Plumley then saved to put Ascot ahead and they would even have a penalty to win it at 4-3, but home 'keeper Charlie Taylor saved, before the home side eventually ran out 7-6 winners.

There have been more important spot-kick victories for Ascot in recent times, but in the moment, this one stings a little.

Ascot United: Plumley, Sankoh (Lock 79'), Murray, Edwards, Lamb (Brandao 73'), Garlinge (Allsopp 67'), Deru, Le-Paih, Sylla, Simmo (Trickett 79'), Dehghani (Kamara 67').

ASCOT UNITED WOMEN

ASCOT FIGHT BACK TWICE TO BEAT MAIDENHEAD

Yellawomen triumph 3-2 to move fifth

Ascot United became the highest-ranked Women's football team in Berkshire for the first time in their history with a comeback win at Maidenhead United on Sunday. Trailing 2-1 at the break and out-of-sorts, Andy Cox's side moved up a gear after the break to seal a victory that propelled them above their hosts and into fifth.

Battle of Berkshire's best – but who will come out on top?
This was a first competitive league meeting between two sides separated by nine miles of road, and since Reading FC's demise in recent times this was a match-up between the county's top two sides.

And, Ascot knew that a victory at York Road would take them above their more illustrious neighbours in a tightly packed division where two points separated fourth to eleventh; The Magpies one point better off than The Yellawomen.

Hosts lead twice, and crucially into the break

Maidenhead would open the scoring in the sixth minute when Ines Cipriano made her physical presence count before turning into space and slotting into the bottom right-hand corner from a close, central position.

After toiling, Ascot finally got a foothold in the game and enjoyed their best three chances inside a four-minute block.

Firstly, Mia Delaney headed Alice Curr's deep cross wide albeit under pressure from the home defence – 15 minutes played – before Beth Lloyd lobbed wide from an improbably tight angle after Bella Cox's superb tackle and pass had teed her up.

But when Lloyd got another sight of goal in the 19th minute here was a predictable outcome. Cox's direct free kick had cannoned back to the edge of the area, and the club captain lashed home to restore parity.

But The Magpies restored their lead seven minutes before the break when Katie Ackerman outmuscled Curr – who was incensed at the decision having felt as if she was pushed – and beat Cherry Preisner with a well-taken effort from a tight angle.

Substitutes make an impact in better second half

Half-time substitutes Hattie Kettle and Jacey Lane were key to Ascot's recovery in the second half, with the former helping stabilize her side's defence, and she would be voted supporters' player of the match.

But it was Poppy Dearlove and Delaney who combined for the leveller three minutes into the half; Dearlove's twice-taken free kick from near the corner flag was headed home by Delaney form close-range.

Delaney then stabbed inches wide on the hour mark after Cox's corner was flicked on, but the turnaround was complete in the 73rd minute when Cox set Lane free, and she kept her composure after racing clear to slot into the bottom left-hand corner.

Preisner made an important block five minutes from time – racing from her line – but that was as worrying as it for the travelling faithful, who celebrated another win.

Ascot United: Preisner, Curr (Kettle), Cox, Huntley, Wort, Maxted, Dearlove (Balaam), Fox, Lloyd (Dias), Delaney (Machado), Gladwell (Lane).

ASCOT UNITED U18'S

Ascot United Under 18's team manager David Burton reflects on some of his U18 side's senior appearances for Addlestone FC at Step 7 last weekend, and looks ahead to this weeks big Isthmian league opener at Fleet [Ed says - all the best lads!].

Welcome back to the Racecourse for tonight's game!

This Wednesday we finally kick off our first U18s Isthmian League fixture of the season — away to Fleet Town FC at the Easy as HGV Stadium. It's a tough opener, so all support will be hugely appreciated.

Just a reminder, the Isthmian League sits a significant step up from the Allied League, where Ascot were promoted from the season before last. Many of these clubs train multiple times a week, with college and academy setups feeding into them. For us, the U18s remains all about development — of course we want to win games, but the real success is measured by the progress the lads make game by game, season by season. We have played a few Allied Teams pre-season and won all these games. Wednesday is the real test of our development.

Training has been electric — morale is sky-high, competition for places is fierce, and I couldn't be happier with the squad.

It was also fantastic to see several of our lads featuring for Addlestone at the weekend: two scoring in a narrow 3–2 defeat and two picking up Player of the Match awards. That's exactly the transition we're working towards — bridging youth football with the adult game. A huge thank you to Nigel and Luke at Addlestone for welcoming our players (and parents!) into their environment.

So let's back Gavin and the boys tonight, and hopefully see plenty of you on Wednesday as we embark on our Isthmian journey. ~David

CLUB HISTORY - ASCOT UNITED

Ascot United as we know it, was founded in 1965 by a men's team who played their games at Sunninghill with "after match meetings" in The Wells in Cheapside village (now Mikado's). Teams played as long ago as 1928 under the name "Ascot United" but nothing to link them directly to the current club. In 1965, the club had gained permission from the Ascot Racecourse Trustees to convert the land east of coach park 10 into a football pitch. A wooden clubhouse was built, and this team went on to win many prestigious trophies in the years that followed.

Various youth teams represented Ascot United over the years up to 1988, and in 1992 the East Berks 7-a-side Association was formed by our then Chairman Keith Wicks, introducing small-sided junior games and having disbanded in 1980 the men's team also reformed. The men's senior team enjoyed early success through the East Berks League gaining continued promotions to the Senior division and winning various Cups including the Fielden Charity Cup in 1996/7. In 2001, the First Team join the Reading Senior League, were awarded FA Charter Standard status in 2004, and won the Reading Evening Post Senior Cup at the Madejski Stadium in 2006. Promotion to the Hellenic League Division 1 soon followed in 2007, before promotion to the Premier Division in 2009.

"The Yellamen" made their debut in the FA Cup in 2011 with a home tie against Wembley FC. The game attracted 1,149 people to The Racecourse on a Friday evening where the famous trophy itself was on display, and the match was streamed live on Facebook. In 2012-13 and 2015-16 we reached the Quarter Final of the FA Vase twice, enjoyed two top-three finishes in the Uhlsport Hellenic League Premier Division, and won both the Bluefin Sport Challenge Cup and Perpetua Press Floodlit Cup. In 2018-19, new manager Jamie Tompkins led his side to the top of the table for long spells, and although they couldn't hang on to their lead, they would taste league cup glory once again by defeating Windsor FC 3-1.

A lateral move to the Combined Counties Premier Division for the 2019-20 season, combined with the installation of a new 3G pitch provided a platform for further development both on and off the pitch. The Yellamen were clear at the top of the league before COVID curtailed their first crack at the title before the 2021-22 season saw them reach the Bucks Senior Cup Final after defeating three sides from higher divisions, including Wycombe Wanderers in the semi-final in front of a club-record crowd of 1,267.

However, it is the 2022-23 campaign that will surely remain the club's most successful for decades to come. Tompkins' side dominated the league, taking 102 points from 38 league matches to win the title with four matches to spare. And if that wasn't enough, they achieved an incredible double by lifting the Isuzu FA Vase at Wembley in front of over 4,400 travelling Ascot United supporters and the BT Sport cameras. Impressively, they entered in the very first qualifying round before winning ten matches in a mesmerizing run; Kai Walters heading home in the 79th minute to secure a 1-0 win over the then-holders Newport Pagnell Town. After securing promotion to Step 4 for 2023-24 where they consolidated their status by finishing mid-table, they pushed for promotion again in 2024-25 only to lose at Hanworth Villa in a play-off semi final. The 2025-26 campaign will see incoming manager Gavin Smith lead a new-looking squad following Tompkins' departure during the Summer; expectations remain high but with a touch of realism given the major change in personnel.

The club has also enjoyed much success at all levels particularly in the Women's and Girls Section. Our Senior Women won promotion to the Premier Division of the Southern Region Women's' Football League in 2017-18 where they were runners-up in both 2022-23 and 2023-24. CLUB HISTORY - SOUTH PARK (REIGATE)

South Park Football Club was formed in 1897 and immediately became founder members of the Redhill & District Football League along with other local clubs Godstone, Meadvale and Reigate Priory Reserves. The club remain members of the league today.

Although the facilities were basic the early matches were played in the original sports field which was in upper South Park between Crescent Road and Church Road. In 1925 under the direction of Canon Gregory from the local church, the football club together with the village cricket club formed the South Park Sports Association with the aim of the Association to provide sport and sporting facilities for the people of South Park. Within a few years it was realised that this new concept would be better served by an improvement in facilities and playing conditions. Fortunately for both club's suitable land existed in Whitehall Lane, the clubs current home and with the co-operation of the public spirited landowner, Harold Swannack, four acres of ground were purchased there. Always strapped for cash in these early years, the money was raised for the field largely by public subscription, which included door to door collections.

In order to preserve the land as a permanent sports ground, great foresight was exercised in vesting the land and subsequent purchases of further lots of two acres and four acres making ten acres in all in the National Playing Fields Association, now known as Fields in trust. The land became known as the 'King Georges Field' from 1935. The changing rooms were located on the far side of the field from Whitehall Lane at the bottom of the number two football pitch. Although the facilities were an improvement on their previous home they remained basic.

The football club flourished in the years leading to the Second Great War but obviously declined during and immediately after it. A handful of stewards rallied to the cause however and quickly resurrected its fortunes. One legacy of the hostilities, the air raid shelter, became the focus of attention when it became clear that further improvements were needed to the facilities if sporting aspirations were to be advanced. Thus it was that a shower room and toilet block and a modest clubhouse were attached to this building. Funding for this was achieved through the tireless efforts of the 'Friends of South Park Sports Association' organisation. Despite these commendable efforts, the Association lived for many years on a hand to mouth basis with the management all too frequently having to put their hands into their own pockets to ensure its survival.

During this period the playing side of the football club flourished with numerous honours won in the local leagues and cups together with appearances in County Cup finals. The club were also honoured in the fact that a number of players progressed to senior football with clubs such as Redhill and Eastbourne Town in the fifties and sixties, the heyday of non league football.
The seventies and eighties brought further improvements to the changing facilities and clubroom and the purchase of the land that is now our main pitch were made. In the early seventies the football club started the junior's section. Over the years the number of teams has increased on a regular basis and today we have boy's teams from under eight's through to under sixteen's.
