IN THE CHAIR

Dan Birchmore
Chairman

A warm welcome to Windsor & Eton for today's Pitching In Isthmian League South Central Division fixture.

A very warm welcome to the players, officials, directors and supporters of Windsor & Eton FC to the Racecourse Ground for our first Bank Holiday fixture of the season.

We are delighted to welcome everyone connected with Windsor & Eton, a club that has enjoyed a remarkable rise in recent years and arrives at Step 4 following a series of promotions. They are clearly a club on the ascendancy and will undoubtedly be looking to continue that progress this season. Having previously served as Secretary of Windsor FC, I know many of the people involved and I am very much looking forward to catching up with old friends and familiar faces this afternoon. As always, I'm sure they will be backed by an excellent travelling support. We may also see former Yella Luke Phillips involved, and we extend him a warm welcome back to Ascot.

The First Team come into today's game in good spirits following Friday evening's 3-0 victory over Margate in the FA Trophy. It was another disciplined and professional performance from Gavin and the players, building further momentum as we head into an important period of the season.

There is plenty of football to look forward to over the coming week. Our Women's First Team return to action on Tuesday evening when they welcome QPR Women to the Racecourse Ground in the League Cup. The squad continues to work hard under Aym'e and her team, and your support would be greatly appreciated.

On Thursday evening (8pm KO), our Under-18s begin their FA Youth Cup campaign against Badshot Lea. The group has enjoyed a promising pre-season and Dave and his coaching staff have worked extremely hard in preparing the players. The FA Youth Cup always provides a fantastic occasion for young footballers and we wish them every success as they look to continue their development.

Unusually, our Men's First Team will then be back in action at home on Sunday 6th September (3pm KO) in the next round of the Emirates FA Cup. Cup football always brings a special atmosphere and I would encourage as many people as possible to come along and support the team. Your backing genuinely makes a difference and is greatly appreciated by the players and management staff.

We are also looking forward to seeing our youth teams begin their league campaigns over the coming weeks. The recent weather has presented challenges for clubs and leagues across the area, but our Board, staff and volunteers have been working hard behind the scenes to do everything possible to ensure our members can get back out on the pitch safely and enjoy their football.

Finally, thank you all for your continued support of Ascot United. Whether as players, parents, volunteers, sponsors or supporters, you are what makes this club so special. Enjoy the game and let's hope for another entertaining afternoon of football ~ Dan.

FROM THE DUGOUT

Gavin Smith
First Team Manager

Welcome to the players, officials and supporters of Windsor & Eton. Enjoy the game!

Back again for more home football, it's been a busy time at The Racecourse Ground for us and after the visit of Windsor today we still have 2 more home games in a row to come.

Friday night was an excellent performance against Margate a game in which I thought we defended excellently and made some good attacking moments count; the 2 main things you need to do to win games.

I felt we could have played better which is a credit to the group because the expectations are high right now.

Now we can look forward to the draw on Tuesday and hopefully another home tie.

Today sees us face newly promoted Windsor who in my opinion are now back at the level the club should be at, so all credit to them for their promotion last season, I'm sure it will be a tough game with both teams looking to win a local derby.

Enjoy the game ~ Gavin.

ON COURSE!

With Programme Editor Neal Jeffs

Welcome to the players, officials and supporters of Windsor & Eton for this Pitching In Isthmian League South Central Division match.

WELCOME TO THE ROYALISTS

Welcome to The Racecourse for this Bank Holiday Monday's Royal Derby with Windsor and Eton. This will possibly be our biggest league attendance of the season buoyed by the Royalist's travelling support, and whilst we are all vying for local bragging rights and want to outdo each other, it's great that we are together again in the same league and able to boost the gate receipts and hopefully put on a good show. It's been a while since we last met; Windsor went through their difficulties and metamorphosis into the club as it is now, but back in our double winning season of 22-23 we beat them 5-1 (twice) in a season when they were relegated after finishing second-bottom. Here they are again via the Step-seven Thames Valley League and three promotions, and welcome back to ex-Yellaman Luke Phillips who was a starlet of our U18's before finding his foot in senior football with Windsor.

COMMON DENOMINATOR! Rob Lazarczuk is a Windsor legend before signing for Ascot in 2017/18, helping secure their step-5 status. He's still around - and fittingly last seen a few weeks ago (by me!) half way between Windsor and Ascot whilst running (not him of course!) in The Great Park. Lazar - always a legend to The Yellas too!

Last Friday was something of a procession for us in winning 3-0 against Margate. They were desperately poor and maybe the mental and physical drudgery of 3-plus hours on a coach from Kent on one of the busiest travel days of the year got to them, but it shouldn't at this level. Credit, however, to our boys who essentially overpowered them with energy and stifled anything they threatened to put together. We'll have to wait for the 2nd qualifying round draw to see who we get in the next round. Given we had Saturday off, I went to watch Binfield v Deal Town (Kent) in the FA Trophy which finished 4-2 to Deal. Aside from 2 wonder-goals from the hosts, including a screamer from ex-Yellaman Lucias Vine, Binfield created little and eventually succumbed to defeat having fought back from a goal down to lead 2-1 at half time. Anyway, this is the 'Sheet Street Derby', so let's hope it is a good one after four years in the freezer! ~Neal

THE 2023 FA VASE WINNING SQUAD - WHERE ARE THEY NOW?

Manager:
Jamie Tompkins – managed the team for two further seasons after the historic double winning season of 2022/23 and led Ascot to the step-four Isthmian League South Central Division play-offs in 2024/25. Returned to management with current club, Ascot's league rivals, Hayes and Yeading United, towards the end of the 2025/26 season.

Starting 11:
Rhys Forster – drafted in during the double-winning campaign after a serious injury ended former professional goalkeeper Jamie Ashdown's career mid-season. Kept a clean sheet at Wembley after producing penalty shoot-out heroics in both the quarter and semi-finals. Went onto play for Enfield Town in the step-two National League South before linking up with Jamie Tompkins at current club Hayes and Yeading United.

George Lock – a fans' favourite and loyal clubman who played on for Ascot United making a club-record 325 appearances before signing for his current club, Ascot's league rivals Ashford Town (Middx).

Alfie Grant – solid defender who had spells with Basingstoke Town and Milton United before returning to Reading City, for whom he originally played, in the step-five Combined Counties League Premier Division North.

Harry Tucker – man-mountain of a defender who dabbled in professional golf and played for Hayes and Yeading United before signing for Flackwell Heath in the step-four Southern League Central Division. Now focusing on his swing again, by all accounts!

Jordan Ajanlekoko – incredibly talented, 'AJ' has played for numerous clubs since leaving Ascot, including Rayners Lane, Southall and Northwood. Currently with step-five Risborough Rangers in the Spartan South Midlands League, a club for whom he originally played for back in 2011/12!

Dan Bailey – towering defender who skippered the side to victory before leaving and featuring for Virginia Water at step-five. He is now a member of league rivals Binfield FC's coaching staff, whilst also still registered as a player.

Rob Gerrard – fantastic left-back who liked to get forwards and was famously substituted in the first half at Wembley with a serious head injury. Returned to Step-five Reading City for the 2023/24 season. Sources tell us he's since retired from football and/or was considering a move to Australia. Either way, being a scaffolder, he is either up there or down under, - or chilling somewhere in between.

Harry Grant – the dead-ball specialist had a brief spell at Hartley Wintney after leaving Ascot, before signing for current club Hayes and Yeading United.

Jay Welch – Despite being capable of playing much higher with his skill and eye for goal, he is has signed for step-seven Newbury Town in the Thames Valley Premier Division having also played for Westwood Wanderers in the same division.

Sean McCormack – a forward with the engine of a Ferrari and trickery of a magician, he signed off with the Yellamen in 24/25 before relocating to New York to pursue his professional working career.

THE 2023 FA VASE WINNING SQUAD - WHERE ARE THEY NOW?

Brendan Matthew – lethal striker broke the club's in-season scoring record in the double-winning campaign and netted 68 goals in a total of 80 appearances. Went onto play for league rivals Southall before joining current club Hayes and Yeading United.

Subs used:

Kai Walters – came off the bench to score the game's only goal with a diving header in the 79th minute, writing his name into Ascot folklore. Left Ascot and spent time in Australia and now runs the organization he founded - ArmourCo Sports – in Maidenhead.

Marcus Mealing – a 'proper' striker, 'Mealo' came off the bench at Wembley and was a game-changer. Since leaving Ascot he recovered from a serious leg injury, was player-coach at Ashford Town and also featured for Windsor and Eton; both step-five clubs at the time. Currently playing for Ardley United in the step-five Combined Counties Premier Division North and also featuring for Flackwell Heath.

Chris Ellis – The long-throw expert announced his retirement at the end of Ascot's title-winning season but returned to action with step-six Penn and Tylers Green, helping them win promotion in the 2025/26 season. Remains with Penn as a coach for their debut in the step-five Combined Counties Premier Division North.

Subs unused:

Louis Bouwers – the club captain left after the double-winning campaign and featured for Chertsey Town, Flackwell Heath and lower-tier hometown club Faringdon Town in Oxfordshire. Now married, he relocated to Somerset and not currently playing due to work commitments.

Sam Negus – the young substitute goalkeeper, son of then-chairman Simon Negus, moved to the US and is playing collegiate men's soccer in the United States for the Holy Cross College Saints in Notre Dame, Indiana. Had played step-three football with Beaconsfield whilst understudy to Ascot's first choice goalkeepers Jamie Ashdown and Rhys Forster.

Sam Balogun – An unsung hero of the FA Vase campaign who bossed the midfield in the semi-final, he played for Potters Bar Town and league rivals Westfield before moving to Ashford Town (Middx). Now playing step-five football at Combined Counties Premier Division South Division side Virginia Water.

Keaton August – a mesmerising forward on his day, he relocated to the midlands and has been playing step-five football with United Counties League Premier Division North side Belper United, where he has been voted supporters' player of the season.

ASCOT EASE THROUGH IN TROPHY

Yellas win 3-0 against disappointing Margate

Friday 28th August 2026, Isuzu FA trophy 1st Qualifying Round, Ascot United 3 - 0 Margate

Ascot United cruised to a 3-0 win over Margate in the Isuzu FA Trophy first qualifying round on Friday night. Leading by the same score after a one-sided first half, the second period was a procession as the home side retained their interest in both national FA Cup competitions in which they compete.

More Friday cup action as Yellas home sequence continues

The match was a repeat of the tie two seasons ago which Ascot won 1-0, but jump forwards and the hosts' squad is completely different as they sought to continue their recent good form in their fourth of seven consecutive home games. Friday under the lights often draws a good crowd and credit to 'Gate for making an unenviable weekend trip around the M25; at least they – along with Ascot – would have an extra day before their bank holiday Monday fixture.

Yellamen overpower poor 'Gate in one-sided first-half

Ascot were well-on top in a one-sided first half where Margate were woefully poor. It took just seven minutes for the home side to take the lead when Isaac Brown's diagonal pass picked out Cameron Rohart-Brown on the left, he cut the ball inside for Harley Platel, and Platel cut back onto his right foot left-of-goal before curling past visiting 'keeper Harry Seaden. Quaye Vine then showed great skill to hold the ball up and feed Rohart-Brown in the 31st minute; the defender finding the net via a slight deflection from distance to make it 2-0.

The visitors made nothing of their four-or-five corner kicks compared with Ascot's zero and looked devoid of ideas; Ascot almost adding a third when Brown was allowed to get his shot away from substitute Kareem Akinnibi's pass before drawing a fine save from Seaden in the 36th minute. But The Yellamen made it 3-0 in the 42nd minute when Kai Zini superbly held off defender William Thomas and cut the ball inside for Platel, whose positivity was rewarded when his low shot took another slight deflection on its way into the top left.

Second half stalemate

After the break there was little to write home about, although credit to the home side – they worked hard off the ball to stifle anything that the Kent side might have mustered. Key to their energy was man-of-the-match Jaye Long – in an unusual pairing with fellow midfield dynamo Kai Allsopp – and it worked.

The two of them simply had too much energy for a surprisingly blunt Margate side who failed to register a shot on target. The livewire Akinnibi flashed a shot across goal for Ascot midway through the half just after home 'keeper Sam Swyer had done well to steer danger clear and wide in front of his goal, but it was a stroll for the home side. Margate's performance was undeserving of their 30-or-so travelling support that made the long round trip; those hardy souls are the heroes tonight.

Ascot United: Swyer, Anthony, Rohart-Brown (O' Neill 81'), Parkinson, Sesay, Allsopp, Zini (Deru 70'), Long, Vine (Akinnibi 34'), Brown (Bullard-Jeffrey 74'), Platel (Mboge 70').

Venue: The Racecourse, Ascot / **Attendance**: TBC (estimate: 175) / **Weather**: 18c, partly cloudy/rain / **Ascot United MOM**: Jaye Long / **Entertainment**: 3 / **Away fans estimate**: 30 / **One-word summary:** Controlled

WHEN The NLP's very own columnist Tony Incenzo visited Fulwood Amateurs for their North West Counties First Division North game against Thornton Cleveleys on Easter Monday, he completed a truly epic groundhopping quest.

Fifty-four years after attending his very first Non-League match, broadcaster Tony, 63, had become the first journalist to visit all 2,000 grounds in the English National League System, earning him huge acclaim.

But it Tony's own words in his NLP column last week, the life of a Non-League groundhopper is "akin to painting the legendary Forth Bridge". Once you achieve your targets it is time to start all over again.

Such is the ever-changing landscape of the great English pyramid, Tony was suddenly presented with another 22 new Non-League grounds to visit ahead of the start of 2026-27 season. A groundhopper's work is never done, it seems.
One of Tony's first missions this season is the visit new, or modified grounds, of clubs he has already visited among his 2,600 or so ventures. Three to be exact.
Take NPL Premier side Workington for example. Whilst a state-of-the-art £16 million stadium is being built for the West Cumbrian outfit to replace their famous old Borough Park, they are playing at nearby Fibrus Community Stadium (Derwent Park) for the next two seasons or so. It is the home of Workington Town Rugby League club and has held a record crowd of 17,741 in years gone by.

Then there's North West Counties League First Division North side Woolton. They have reverted to their Simpson Sports Ground headquarters after bringing it up to Step 6 standard.

They spent 2025/26 – their first season as a NLS club – groundsharing at nearby South Liverpool. I notice Simpson has a 3G synthetic pitch so I'll probably leave it until wintery weather kicks in before venturing there.

And finally, the third is a new Non-League ground currently under construction, just outside Aveley's Parkside Stadium. A one-time Sunday League pitch with some covered spectator accommodation, the ground is due to be fully enclosed to provide a Step 6 graded home for both Brimsdown and Lymore Gardens, of Eastern Counties League First Division South.

Of the 40+ teams promoted to the NLS this season from the various Regional Feeder Leagues, Tony needs to visit 19 to complete the set once again. But it's going to require plenty of miles on the clock with 300+ mile treks to South West Peninsula League Premier West Division sides Hayle AFC and St Mawgan on the 'to-do' list. Still, there are worse places to visit I suppose.

Naturally, Tony's already on the case and up and running for 2026-27. Two of the freshly promoted Step 6 clubs have been visited – the most recent of which, an FA Vase First Round Qualifying round match at Hemsworth Miners Welfare with Dearne & District the visitors.

The Northern Counties East League Division One team have developed a new ground next door to their previous pitch which didn't meet NLS football requirements. And then earlier in the month, he watched Anstey Town beat Birmingham OJM 5-0 in the Midland League Division One. Anstey play at a nice set-up within De Montfort University at Beaumont Park in Leicester.

With the games coming thick and fast, Tony is out and about most nights of the week – except, that is, when it coincides with a QPR home game. Tony hasn't missed his beloved Rs at Loftus Road for 53 years! His ground tally now sits at 2,715 with every match logged in his now famous handwritten scrapbook.

He's also a jolly nice bloke, so if you see Tony at a game near you then say hello. I'm sure he'll have a tale or two to tell. Find Tony on X at @TonyIncenzo ~ Jon Couch

ASCOT UNITED U18'S

Welcome back to The Racecourse. One thing Steve and I have always tried to be clear about with the boys is that U18 football should prepare them for what comes next.

"We also deliberately ask players to step outside their comfort zones."

We have a strong squad this season with genuine competition for places, and that inevitably means some difficult decisions. Nobody is guaranteed minutes and sometimes a player can train well, do absolutely nothing wrong and still find himself on the bench. That isn't always easy for a 16 or 17-year-old to accept, but it is part of football and something they will experience even more as they progress into the senior game.

We also deliberately ask players to step outside their comfort zones. Throughout pre-season we've played boys in different positions and asked them to learn different roles. The more versatile you become, the more opportunities you give yourself. A senior manager will always value a player he knows can comfortably do two or three jobs for him.

The biggest lesson, though, is how you respond to disappointment. If you're left out, substituted or have a poor game, what happens next? Do you sulk, or do you turn up at the next training session determined to win your place back?

At this age, developing that resilience is every bit as important as developing as a footballer. Talent will get you noticed. Attitude, versatility and resilience will help keep you there.

We have our first Competitive game of the season on Thursday in the FA Youth Cup. Would be great to see as many down here again supporting the next generation of yellas as possible!

Enjoy today's game and #UpTheYellas !! ~David

ASCOT UNITED WALKING FOOTBALL

Ascot United Walking Football has taken off over the past year! From a handful of players, there are now up to 20 each Tuesday morning who come down to The Racecourse and participate in [usually] two 25-minute in-house games. Age is no limit, although players are normally 50-plus and currently range from 50 to 77 years old! For those of you who don't know the rules, the pitch is marked out using cones and less than half-a-regular pitch in size. The goals are 6-a-side goals. Goalkeepers must stay in their area and outfield players may not encroach in it.

Each player is allowed only three touches before releasing the ball, which must also stay below head height. And no running – one foot is always on the ground! Afterwards, there is tea/coffee and home-made cake in the clubhouse. All welcome, 10.45 warmup. First session free, and then 10 English pounds paid on the day thereafter. The team has grown in both numbers and ability and was proud to host its first tournament in May 2026. Speak to Neal Jeffs, Doug Page, or email our organizing coach Will Chaisty directly - will@chaisingsport.com.

CLUB HISTORY - ASCOT UNITED

Ascot United as we know it, was founded in 1965 by a men's team who played their games at Sunninghill with "after match meetings" in The Wells in Cheapside village (now Mikado's). Teams played as long ago as 1928 under the name "Ascot United" but nothing to link them directly to the current club. In 1965, the club had gained permission from the Ascot Racecourse Trustees to convert the land east of coach park 10 into a football pitch. A wooden clubhouse was built, and this team went on to win many prestigious trophies in the years that followed.

Various youth teams represented Ascot United over the years up to 1988, and in 1992 the East Berks 7-a-side Association was formed by our then Chairman Keith Wicks, introducing small-sided junior games and having disbanded in 1980 the men's team also reformed. The men's senior team enjoyed early success through the East Berks League gaining continued promotions to the Senior division and winning various Cups including the Fielden Charity Cup in 1996/7. In 2001, the First Team join the Reading Senior League, were awarded FA Charter Standard status in 2004, and won the Reading Evening Post Senior Cup at the Madejski Stadium in 2006. Promotion to the Hellenic League Division 1 soon followed in 2007, before promotion to the Premier Division in 2009.

"The Yellamen" made their debut in the FA Cup in 2011 with a home tie against Wembley FC. The game attracted 1,149 people to The Racecourse on a Friday evening where the famous trophy itself was on display, and the match was streamed live on Facebook. In 2012-13 and 2015-16 we reached the Quarter Final of the FA Vase twice, enjoyed two top-three finishes in the Uhlsport Hellenic League Premier Division, and won both the Bluefin Sport Challenge Cup and Perpetua Press Floodlit Cup. In 2018-19, new manager Jamie Tompkins led his side to the top of the table for long spells, and although they couldn't hang on to their lead, they would taste league cup glory once again by defeating Windsor FC 3-1.

A lateral move to the Combined Counties Premier Division for the 2019-20 season, combined with the installation of a new 3G pitch provided a platform for further development both on and off the pitch. The Yellamen were clear at the top of the league before COVID curtailed their first crack at the title before the 2021-22 season saw them reach the Bucks Senior Cup Final after defeating three sides from higher divisions, including Wycombe Wanderers in the semi-final in front of a club-record crowd of 1,267.

However, it is the 2022-23 campaign that will surely remain the club's most successful for decades to come. Tompkins' side dominated the league, taking 102 points from 38 league matches to win the title with four matches to spare. And if that wasn't enough, they achieved an incredible double by lifting the Isuzu FA Vase at Wembley in front of over 4,400 travelling Ascot United supporters and the BT Sport cameras. Impressively, they entered in the very first qualifying round before winning ten matches in a mesmerizing run; Kai Walters heading home in the 79th minute to secure a 1-0 win over the then-holders Newport Pagnell Town. After securing promotion to Step 4 for 2023-24 where they consolidated their status by finishing mid-table, they pushed for promotion again in 2024-25 only to lose at Hanworth Villa in a play-off semi final. The 2025-26 campaign saw Gavin Smith appointed as manager and consolidate his side's status at Step 4, before leading The Yellas in 2026-27 for their fourth season in the Isthmian League (South Central) Division.

The club has also enjoyed much success at all levels particularly in the Women's and Girls Section. Our Senior Women won promotion to the Premier Division of the Southern Region Women's' Football League in 2017-18 where they were runners-up in both 2022-23 and 2023-24. However, an unbeaten league campaign saw them crowned champions in 2024-25, earning them promotion to the National League at Step 4 for the 2025-26 campaign, where manager Andy Cox led them to an impressive mid-table finish, also winning the County Cup. New manager Aym'e Melham took over the reins for the 2026-27 campaign with an entirely new squad and will also foster a pathway for the Junior Premier League (U18) players, who themselves also won the JPL league title in 2022-23 and 2024-25.

Ascot United has grown to become one of the largest Community football clubs in the UK with over 1,000 registered players and over 90 teams playing every weekend embracing all ages and abilities from 5 year olds through to veterans. We are also extremely proud to have a mixed-ability team representing our club, the Ascot United Warriors, who are affiliated with Special Olympics GB

CLUB HISTORY - WINDSOR & ETON

The original Windsor & Eton Football Club was formed in 1892 and played at Stag Meadow from 1911. They had a proud history including numerous FA Cup runs until they hit harder times and were wound up with large debts in 2011.

Now a new club, also called Windsor & Eton Football Club, has been formed, and been granted a lease for Stag Meadow. It has been set up as a Community Interest Company, which ensures that its purpose is to serve the community.

Of course, as a new club we're starting near the base of the football league pyramid but with volunteer support, community engagement and focussed management we're looking forward to a rewarding adventure as we put Windsor & Eton back on the football map.

Every weekend 50+ teams and over 600 players represent Windsor & Eton Football Club.

One of our main goals is to celebrate and enjoy all that is great about football... young people doing something they love. Something which is physically active, mentally stimulating and needing time, effort and commitment to achieve success, which will provide enjoyment and entertainment for both themselves and the supporters .... if not a little bit of stress for all of the parents/carers on the side-lines!

We ensure all our players and coaches follow the RESPECT principles in how we treat other coaches, team-mates, opponents and most especially, the match officials, without whom matches could not take place.

Each year the club hosts a 2-day youth tournament for boys and girls aged between 7 and 15 years of age.

Last year the tournament attracted over 200 teams and 2,000 players from across the area. Widely regarded as one of the most popular and best-run youth tournaments in the South of England the competition goes from strength to strength each year.

CLUB HISTORY - WINDSOR & ETON

We pride ourselves on being more than just a football club. We want to sit at the heart of the community in Windsor and use our platform to promote important local causes. Examples of our recent initiatives include, supporting the Windsor Homeless Project's annual sleep out event, supporting Cancer UK's Blue Bike Ride and being proud supporters of World Mental Health Day. As a club we are also building close relationships with the local schools in the town.

Our home, Stag Meadow, is a unique venue. It's one of the few football grounds in the country that is housed on Royal property. The club enjoys a very close relationship with our landlords, The Crown Estate. Stag Meadow was gifted to the original Windsor & Eton Football Club by King George V in 1911.

Through the years many big sides, including current Premier League clubs, Arsenal, Chelsea, Tottenham, Bournemouth and Brentford have played 1st team sides at Stag Meadow, as have European side Red Star Belgrade. And so have some of the greats of English football over the years including, Jimmy Greaves, George Cohen, Billy Wright, Peter Osgood, and Pat Jennings. Harry Redknapp brought his Bournemouth side here for an FA Cup encounter back in 1983 and Sir Bobby Robson brought his famous Ipswich Town side to Stag Meadow back in 1975.

The ground has held significant number of crowds throughout its history, the largest being an impressive 8,500.
