IN THE CHAIR

Dan Birchmore
Chairman

A warm welcome to Littlehampton Town for today's Pitching In Isthmian League South Central Division fixture.

A very warm welcome to the players, officials, directors and supporters of Littlehampton Town FC to The Racecourse Ground this afternoon.

Recent results and performances have undoubtedly been disappointing, and nobody is more aware of that than Gavin, his management team and the players themselves. A great deal of work is taking place behind the scenes to bring about the improvements we all want to see, and recruitment remains a key focus. It's been pleasing to welcome three new faces into the group over the past week, adding further competition and depth as we look to get our season back on track.

Away from the First Team, it has been fantastic to see our many youth teams finally begin their league campaigns following delays caused by the recent heatwave and challenging pitch conditions. We're looking forward to seeing football return to full flow across all of our sites over the coming weeks. Whilst many people naturally focus on our senior sides, Ascot United is much more than that. This season we are proud to operate a staggering 104 teams, providing football opportunities to players of all ages and abilities across our community.

I would also like to welcome back Neil Richards, who has returned to coaching duties and has taken on responsibility for our Senior Disability team, The Warriors. The Warriors compete in the BOBi League, and I was fortunate enough to travel to Oxford City last weekend to watch their opening fixtures of the season. The enthusiasm, enjoyment and togetherness within the group were fantastic to see. His return also gives me the opportunity to remind everyone that it is largely his fault that I find myself writing these notes as Chairperson! More than twenty years ago, Neil somehow persuaded me to help move a few goalposts and lend a hand. We're delighted to have him involved and his experience, enthusiasm and commitment will be a huge asset to The Warriors who are already hanging on his every word.

As always, I would like to thank everyone who continues to support Ascot United. Whether you're a player, coach, volunteer, sponsor, parent or supporter, your contribution helps make this club what it is.

Finally, good luck to Gavin, his management team and the players this afternoon. Let's get behind the team and help them return to winning ways. Enjoy the game ~ Dan.

FROM THE DUGOUT

Gavin Smith
First Team Manager

Welcome to the players, officials and supporters of Littlehampton Town. Enjoy the game!

We had some tough times and poor results last season but I think the last week has been the most difficult and the worst couple of results back to back we have had.

Last Saturday's home game against Raynes Park Vale was there for the taking, but some good stops from their keeper and poor finishing meant 1 mistake from us was all it was going to take for them to get a leg up.

A quick goal after the break made matters worse and we never recovered and conceded 2 more preventable goals

Tuesday was tough watch in a 5-0 defeat against an Egham side that dominated their duels and made it a real tough night for our young players.

For those that came I know you went away very disappointed, as expected.

Today's game against Littlehampton will give us a chance to give you something to be positive about. Enjoy the game ~ Gavin.

ON COURSE!

With Programme Editor Neal Jeffs

Welcome to the players, officials and supporters of Littlehampton Town for this Pitching In Isthmian League South Central Division match.

Good afternoon and welcome – once again – for another home weekend fixture (that's 7 out of 8, no danger of being homesick around these parts). Our visitors today have had a second chance at life given their reprieve from relegation last season. Having finished in the drop zone, as often happens, other teams in-and-around this level take demotion and then the best of the rest get to do it all again based on points-per-game. No doubt they will be buoyed by a midweek win over Cobham; a win or two at this stage of the season certainly changes the complexion. But there is no hiding from the fact it's been a difficult week around these parts. Gavin, Dan, Aym'e and David have all been at the heart of it for many reasons, results aside, and with an even slimmer Board and we are, like many non-league teams, trying to focus on getting the basics right – whether on the pitch or off it.

TUESDAY SHOCKER! Ascot United might have had one at Egham, but there were also a large number of FA cup shocks in the midweek replays - most of the underdogs won - which ripped up the form book and sent some low-tier sides into the 3rd qualifying round.

During midweek, there were 14 FA Cup 2nd qualifying round replays. So what!? Well, there is enough of a population of games to call this one. 9 of them were between sides who play at different levels to each other, and 6 of the lower league teams won, so it was truly a 'shocking' night in non league football! The most eye catching was Cirencester Town (Step 5) winning at Farnham (Step 2). This of course floods the 3rd qualifying round with more lower-tier sides, and there are now 3 or 4 sides at steps 4 or 5 who will definitely make it through to the final round of qualifying. We love the FA Cup! Anyway, if you are planning your weeks ahead, we have a double header here when Berks County play their FA Vase first round game soon after our home game against Harrow on October 10th (at 7.45pm), but before that we have league cup tie at home on Tuesday against South Park. That's it for now, enjoy the game! ~Neal

MATCH REPORT ROUNDUP

EGHAM TOWN

ASCOT SLUMP TO 5-0 DEFEAT

Egham run riot against woeful Yellas

**Tuesday 22nd September 2026, Pitching In Isthmian League South Central Division, Egham Town 5 - 0
Ascot United**

Ascot United slumped to a 5-0 reverse at Egham Town in the Isthmian League on Tuesday. In a frankly awful display, only 'keeper Kie Plumley's heroics kept the scoreline down as his side's anonymities in attack and frailties at the other end would both come together to damaging effect.

Yellamen seek to end winless run against fellow stutterers Egham

The Yellamen came into the game on a six-match winless run, and this would be the prime place to at least end it when facing a side one place and one point below them in the table, albeit The Sarnies had a couple of games in hand. Having scored just twice in their four league games, finding the net had certainly been an issue for the home side, and Ascot supporters will recall their visit nine months ago, which ended 4-2 in their favour. But The Yellas most recent memory was a dismal home reverse against Raynes Park Vale last weekend, bitter icing on a run of five defeats and one draw, finding the net just four times themselves. Ascot handed a debut to defender Dan Brobbey, whilst welcomed back Babs Dehghani having featured last season, and Quaye Vine from injury. On paper this wasn't set up to be a classic, but you never know...

Shambolic first half sees Ascot two-nil down

It was, frankly, awful from the visitors, who created nothing and were reduced to lumping the ball forwards almost at every opportunity. Egham were almost as poor, but they might have scored three or four. Connor Jeanes's long-throw in was diverted onto the bar after seven minutes and Ben Parkinson cleared off the line when Connagh Wilks was left unmarked at the far post and almost converted in the 25th minute.

Connor Cullen then lobbed over when he might have done better, Jeanes's shot from distance deflected wide and could have gone anywhere, but from the resultant corner Ascot didn't learn their lesson and Wilks headed home unmarked; 31 minutes played. Kie Plumley then produced a terrific save to push Brad Clayton's free kick away, but quite incredibly, Ascot left Rayan Djouadi unmarked from another Jeanes throw-in just before half time to nod in again.

Lesson learnt: there were no lessons learnt.

Half time offers little more than respite

After the break it was more of the same. Three minutes in, Cullen's shot was well saved by the feet of Plumley, but when Deago Dunbar-Bonnie found himself in space on the left with 58 minutes on the clock it was 3-0 courtesy of his crisp, low finish across Plumley and into the bottom right. Substitute Seb Karczewski and Cullen contrived a well-worked one-two for the latter to slot home number four midway through the half to make it 4-0, before Plumley's trio of saves – most notably from Clayton's thumping effort – restricted further damage.

But Karczewski nodded down for Cullen to slam home a fifth in the 83rd minute, rounding off a truly horrible night for the travelling supporters. Ascot substitute Chukz Uzor fired over in injury time from just inside the penalty area; that was their best effort of a truly miserable second half.

A game best forgotten, quickly.

Ascot United: Plumley, Brobbey, Richardson, Parkinson, Allsopp, Dehghani, Long, Vine, Bullard-Jeffrey, Platel, Pache. Subs (all used): Walters, Deru, Amiri, Mboge, Uzor.

Venue: The Runnymede Stadium, Egham / **Attendance:** 133 / **Weather:** 20c, partly cloudy / **Ascot United MOM:** Kie Plumley / **Entertainment:** 1 / Away fans estimate: 35 / **One-word summary:** Unacceptable

JUST the mere mention of the upcoming international break sends colleagues from our sister title The Football League Paper into a cold sweat.

The thought of two Saturdays without any Championship football along with less than half of the scheduled League One programme is enough to induce sleepless nights as they contemplate quite how to fill all their pages. To make it worse, even some League Two games have been postponed because of call-ups, so how much longer will it be before National League games are under threat too?

The good news is The FLP team will produce great papers worth reading in the new reality of two international breaks – September and October – squashed together. The move was approved in March 2023 with the later than usual 2026 World Cup finish because the tournament expanded – remember that bright idea – to reduce the number of journeys around the world so many players have to take.

It means England and Wales will be playing four games in this window rather than the usual two and the shutters come down on the top two divisions in England effectively for three weeks. Step into the limelight. Non-League football. We all know about the rip-roaring success of Non-League Day, founded by James Doe to encourage fans to their local Non-League club when both the Premier League and Championship are on hold.

This upcoming break is a great opportunity to get out the Non-League Day textbook and entice fans through the turnstiles. A lot of match-going fans will be starved of their usual fix but still keen to see some live action.

It has to be said, watching Non-League football – particularly in the National League – is becoming more expensive in some cases. Many Step 1 clubs charge north of £20 now – and car parking fees seem to be on the rise too!

You have to go a bit further down to Pyramid fulfil the cliched twenty quid gets you in the ground with change for a burger and a pint. Of course, costs have gone up across the board. All businesses are feeling the pinch and it's never been more expensive to run a football club.

But great value days out still reign supreme in Non-League. So let's see top special offers, the 'kids go free with an adult' deals, the extra events around the game that draw supporters in.

Forward-thinking clubs are working out how to get fans to their grounds earlier and keep them there longer.

While Wales' weekend games are on Sundays, England do play on Saturdays but, crucially, at 7.45pm and 5pm – ideal to get people in the ground for a 3pm game, then keep them on for a couple of pints and some evening football on the box (starting with England v Spain tonight), while bringing in valuable revenue before the winter months.

And also keep showing what a great level of the game this is. ~Matt Badcock

ASCOT UNITED U18'S

Welcome back to The Racecourse. It's been another busy week for our U18s, with two cup games and mixed results. Monday brought a tough night away at Bedfont, where a red card with half an hour remaining, while we were still very much in the game, ultimately left us with a little too much to do.

The boys bounced straight back on Thursday with the long trip to Hungerford Town and an excellent 4-2 win in the Berks & Bucks Cup, putting us safely into the next round. On Monday we're back on the road, away to Walton & Hersham for our first league game of the season.

But then attention turns to Thursday night — and potentially one of the biggest nights our U18s have ever had at the Racecourse. We host Camberley Town in the Second Qualifying Round of the FA Youth Cup.

The boys have already given us two memorable nights in this competition and everyone is incredibly excited about the opportunity ahead. There should be a fantastic crowd, and playing an FA Youth Cup tie under the lights at the Racecourse is exactly the sort of occasion these lads will remember for years.

ASCOT UNITED WALKING FOOTBALL

Ascot United Walking Football has taken off over the past year! From a handful of players, there are now up to 20 each Tuesday morning who come down to The Racecourse and participate in (usually) two 25-minute in-house games. Age is no limit, although players are normally 50-plus and currently range from 50 to 77 years old! For those of you who don't know the rules, the pitch is marked out using cones and less than half-a-regular pitch in size. The goals are 6-a-side goals. Goalkeepers must stay in their area and outfield players may not encroach in it.

Each player is allowed only three touches before releasing the ball, which must also stay below head height. And no running – one foot is always on the ground! Afterwards, there is tea/coffee and home-made cake in the clubhouse. All welcome, 10.45 warmup. First session free, and then 10 English pounds paid on the day thereafter. The team has grown in both numbers and ability and was proud to host its first tournament in May 2026. Speak to Neal Jeffs, Doug Page, or email our organizing coach Will Chaisty directly - will@chaisingsport.com.

CLUB HISTORY - ASCOT UNITED

Ascot United as we know it, was founded in 1965 by a men's team who played their games at Sunninghill with "after match meetings" in The Wells in Cheapside village (now Mikado's). Teams played as long ago as 1928 under the name "Ascot United" but nothing to link them directly to the current club. In 1965, the club had gained permission from the Ascot Racecourse Trustees to convert the land east of coach park 10 into a football pitch. A wooden clubhouse was built, and this team went on to win many prestigious trophies in the years that followed.

Various youth teams represented Ascot United over the years up to 1988, and in 1992 the East Berks 7-a-side Association was formed by our then Chairman Keith Wicks, introducing small-sided junior games and having disbanded in 1980 the men's team also reformed. The men's senior team enjoyed early success through the East Berks League gaining continued promotions to the Senior division and winning various Cups including the Fielden Charity Cup in 1996/7. In 2001, the First Team join the Reading Senior League, were awarded FA Charter Standard status in 2004, and won the Reading Evening Post Senior Cup at the Madejski Stadium in 2006. Promotion to the Hellenic League Division 1 soon followed in 2007, before promotion to the Premier Division in 2009.

"The Yellamen" made their debut in the FA Cup in 2011 with a home tie against Wembley FC. The game attracted 1,149 people to The Racecourse on a Friday evening where the famous trophy itself was on display, and the match was streamed live on Facebook. In 2012-13 and 2015-16 we reached the Quarter Final of the FA Vase twice, enjoyed two top-three finishes in the UHlsport Hellenic League Premier Division, and won both the Bluefin Sport Challenge Cup and Perpetua Press Floodlit Cup. In 2018-19, new manager Jamie Tompkins led his side to the top of the table for long spells, and although they couldn't hang on to their lead, they would taste league cup glory once again by defeating Windsor FC 3-1.

A lateral move to the Combined Counties Premier Division for the 2019-20 season, combined with the installation of a new 3G pitch provided a platform for further development both on and off the pitch. The Yellamen were clear at the top of the league before COVID curtailed their first crack at the title before the 2021-22 season saw them reach the Bucks Senior Cup Final after defeating three sides from higher divisions, including Wycombe Wanderers in the semi-final in front of a club-record crowd of 1,267.

However, it is the 2022-23 campaign that will surely remain the club's most successful for decades to come. Tompkins' side dominated the league, taking 102 points from 38 league matches to win the title with four matches to spare. And if that wasn't enough, they achieved an incredible double by lifting the Isuzu FA Vase at Wembley in front of over 4,400 travelling Ascot United supporters and the BT Sport cameras. Impressively, they entered in the very first qualifying round before winning ten matches in a mesmerizing run; Kai Walters heading home in the 79th minute to secure a 1-0 win over the then-holders Newport Pagnell Town. After securing promotion to Step 4 for 2023-24 where they consolidated their status by finishing mid-table, they pushed for promotion again in 2024-25 only to lose at Hanworth Villa in a play-off semi final. The 2025-26 campaign saw Gavin Smith appointed as manager and consolidate his side's status at Step 4, before leading The Yellas in 2026-27 for their fourth season in the Isthmian League (South Central) Division.

The club has also enjoyed much success at all levels particularly in the Women's and Girls Section. Our Senior Women won promotion to the Premier Division of the Southern Region Women's Football League in 2017-18 where they were runners-up in both 2022-23 and 2023-24. However, an unbeaten league campaign saw them crowned champions in 2024-25, earning them promotion to the National League at Step 4 for the 2025-26 campaign, where manager Andy Cox led them to an impressive mid-table finish, also winning the County Cup. New manager Aym'e Melham took over the reins for the 2026-27 campaign with an entirely new squad and will also foster a pathway for the Junior Premier League (U18) players, who themselves also won the JPL league title in 2022-23 and 2024-25.

Ascot United has grown to become one of the largest Community football clubs in the UK with over 1,000 registered players and over 90 teams playing every weekend embracing all ages and abilities from 5 year olds through to veterans. We are also extremely proud to have a mixed-ability team representing our club, the Ascot United Warriors, who are affiliated with Special Olympics GB

CLUB HISTORY - LITTLEHAMPTON TOWN

Littlehampton Town Football Club was officially founded in 1896, but evidence suggests football was played in the town as early as 1891 and the club started in 1893. In the early years games were played at Selborne Road but in the early 1900s sport moved to The Sportsfield on St Flora's Road where matches continue to be played today. Back then the team's colours were dark green and the club was known as the 'Greenbacks.' The colours were changed in 1911 to blue and then in 1931 to white. In 1923 Tottenham Hotspur came to town for a friendly and won 7-1.

Littlehampton Town joined the Sussex County Football League in 1928, and the club stayed in Division 1 for 67 years. The first match in the new league was against Haywards Heath and the team won 5-1. In 1949 they won the Royal Ulster Rifles (RUR) Charity Cup and the Sussex Senior Challenge Cup. The team changed to a gold strip in 1953 and the first reference to their nickname 'The Marigolds' was in the Littlehampton Gazette on 13th November 1953. Under the guidance of Terry Gill, the team was successful in the late 1960s, and they won the Sussex Senior Challenge Cup again in 1970. Littlehampton Town were Division 1 runners-up eight times until they finally won the title in 1991. That year will never be forgotten. A draw at Peacehaven & Telscombe in front of 1,400 fans meant Golds won the title on goal difference. The same year the club won through to the First Round Proper of the FA Cup. The highlight was a home match against Northampton Town, staged at The Sportsfield in front of 4,000 fans.

The Golds also reached the semifinal of the FA Vase, losing to Gresley Rovers over two legs. That year the team played more cup matches than league games and won the Sussex League Challenge Cup and reached the final of the Sussex Senior Cup too. Littlehampton Town dropped to Division 2 in 1995, and Carl Stabler came back as manager and took them back up in 1997, when they were again runners-up in the division. In 2003 they were relegated once more but made a swift return with a division 2 league and cup double success. They fell out of the topflight again in 2008 and spent six years in Division 2. Mark Bennett, a former player from the 1991 season joined as manager and oversaw the Division 2 title in 2013, where they only lost four league games all season and were finalists in the John O'Hara Cup. In 2015 they recaptured the Division 1 title - for the first time in 23 years - on the final day and the last year of the Sussex County Football League. With Mark Bennett's departure, player George Gaskin took over management of the club and guided the

CLUB HISTORY - LITTLEHAMPTON TOWN

A year later the team dropped out of the topflight and into Division 1. In 2018, Littlehampton Town welcomed back both Mark Bennett as manager and George Gaskin as striker to help rebuild the club and return them to former glories. The next two seasons were unfortunately curtailed due to the Covid-19 pandemic. In 2020, the Marigolds were unbeaten in the league, but no promotion was allowed. After a repeat performance in 2021, we did secure promotion on points-per-game. With George Gaskin joined at the managerial helm by Mitchell Hand, the first year back in the Southern Combination Football League Premier Division was arguably the best in the team's 126-year history to date.

The Marigolds won the title again on the final day of the season in front of 1,000 fans. But it was also in the cups that brought them so much glory. As winners of both the League Cup and the RUR Charity Cup, a historic treble was nearly a quadruple as the team reached Wembley to play in the FA Vase final. As the first non-league team from Sussex to reach Wembley, it was an extraordinary achievement. And despite losing 3-0 in the end to Newport Pagnell Town, the amazing home crowds in the quarter and semifinals — of over 3,000 — ensured the entire town was behind the team in an incredible season.

The club finished a respectable 12th in their first-ever season at Step 4 in the Pitching In Isthmian Football League Southeast Division. After two further seasons in the Southeast league, for the 2025/26 campaign the Marigolds have been moved sideways into the South-Central Division. *1Ed. says - the club finished in the relegation zone at the end of the 2025/26 campaign but were reprieved from demotion on a points-per-game basis across Step four!*
