IN THE CHAIR

Dan Birchmore
Chairman

A warm welcome to Raynes Park Vale for today's Pitching In Isthmian League South Central Division fixture.

A very warm welcome to the players, officials, directors and supporters of Raynes Park Vale FC to The Racecourse Ground this afternoon.

As we approach the end of September, it's fair to say we've made a positive start to the season. Whilst it was disappointing to exit both the FA Cup and FA Trophy earlier than we would have liked, our attention now turns fully to the league campaign and ensuring we build on the positives we have shown so far.

Congratulations must go to our Under-18s, who continue to impress in the FA Youth Cup. Having already beaten Badshot Lea, the squad travelled to face a strong Didcot Town side and once again showed tremendous character to progress on penalties. Dave and his coaching team have done an excellent job with this group and we now eagerly await news of their next opponents.

Wednesday evening's trip to Southall was a frustrating one. Against a very strong side we struggled for large periods of the game and, if we're honest, were perhaps fortunate to still be level at 1-1 before eventually conceding late on in a 2-1 defeat. Credit to Southall, who deserved the points, but today's fixture provides Gavin and the players with an immediate opportunity to respond and get back to the standards we know they are capable of.

There has also been some encouraging progress within our Women's First Team set-up. Aym'e has worked tirelessly during what has been a significant rebuilding period and has recently been joined by Gary Haylock, whose support and experience will be a valuable addition both on and off the pitch. Whilst the recent 4-2 defeat was disappointing, the performance itself represented a significant improvement and another step in the right direction. Recruitment remains a key focus as the management team continue working hard to add quality and depth to the squad.

I would also like to offer a huge welcome to Zac Tolley, who has agreed to take on the role of Safeguarding and Child Welfare Officer for the club. This is an incredibly important position and we are grateful that Zac has stepped forward to support us. In addition, Zac will be assisting Aym'e and Donna Wilson as Match Day Secretary for the Women's First Team.

While on the subject of volunteers, we are still seeking a Match Day Secretary for the Men's First Team. If you would like to become involved with the club and support our senior football operations, we would be delighted to hear from you.

Thank you all for your continued support throughout the season so far. Let's get behind the team this afternoon and help them return to winning ways. Enjoy the game ~ Dan.

Welcome to the players, officials and supporters of Raynes Park Vale. Enjoy the game!

Welcome to you all for this afternoons' fixture against Raynes Park Vale

As most have you will be aware there were a couple of returning players in Wednesday's squad away against Southall and popular goalkeeper Kie Plumley was amongst them, making a man of the match return. And, Tyrese Osbourne saw himself on the score sheet in his first game back. It's good to have their quality back in amongst the group.

The game on Wednesday - against a Southall side who had a very good run last season that saw them finish marginally outside the play offs - was always going to be tough, they have also managed to keep that group together and welcomed a few new signings that has further strengthened them, and they have started this season where they left off, and are at present unbeaten.

If I'm honest it could have been a way worse result than what it ended up but for some poor finishing from them and some great goalkeeping from Kie. The first 15 minutes saw us start well and it could have been 3-3 in that period. Although we had some good possession and got in some good areas, there was a definite difference in threat level between the 2 teams.

Believe it or not it's the most chances we have created for a while; the problem was they doubled what we did. How the game ended up still at 1-1 in the 92nd minute is credit to the lads for not giving up, but unfortunately a late goal clinched a deserved win for them. We need to pick ourselves up now and try to get some points on the board in the next couple of games
Enjoy the match ~ Gavin.

ON COURSE!

With Programme Editor Neal Jeffs

Welcome to the players, officials and supporters of Raynes Park Vale for this Pitching In Isthmian League South Central Division match.

WELCOME TO THE VALE

Welcome to The Racecourse for today's league game against Raynes Park Vale. Having gone five games without a win, the old adage is that we could really do with one today! Reflecting on a manic week, I ended up watching four games in five days. Last weekend Ashford took their chances regardless of decisions on the pitch, but to see TJ cleaned out, Kai's shirt ripped up his back and their goalie handle way out of his box in stonewall fouls not given is ridiculous! On Sunday, our Women's team were much improved and it was another crazy decision at 2-2 that changed the complexion when Bournemouth's player punched the ball into the net from a corner for an apparently legitimate goal! On Monday, it was a superb performance from our U18s to win their FA Youth Cup tie at Didcot but if I was writing this for the opposition then I would be lamenting 2, possibly 3, massive penalty appeals against them that were not given!!! And, of course, on Wednesday I don't think many of the sparse travelling fans will ever have witnessed so many shots by the opposition on a 'keeper!

CRAZY DAYS! Wimbledon's Crazy Gang of 1988 included John Scales, now part of the Raynes Park Vale set-up. Here's that photo of The Dons with the FA Cup, with John pictured centre/back.

I just feel sorry for Kie that he came away from Southall with nothing other than bruised hands and a lot of admiration for an incredible display! The fixtures list has been updated now and the league cup tie with South Park is slotted in for the last Tuesday of September and then we will travel to Moneyfields for our rearranged league game midweek in October. But, before all of that, we have possibly one of my 'favourite' trips of the season on Tuesday to West Staines... Today's visitors are just above us in the table and we did well against them last season so hopefully we can repeat the trick. Also, many of you will know this, but look out for John Scales. John has been part of the RPV set up for some time but you'll remember him part of Wimbledon's Crazy gang and came on as a 63rd minute substitute in the 1988 FA cup final where they won 1-0 against Liverpool, where he would then go on to play. He also won 3 England caps, but most of all he is a really nice guy and we look forward to seeing him here alongside the rest of the committee. Enjoy the game ~ Neal.

ASCOT SUFFER LATE DEFEAT

92nd minute winner earns Southall 2-1 win

Wednesday 16th September 2026, Pitching In Isthmian League South Central Division, Southall 2 - 1 Ascot United

Ascot United almost escaped with an unlikely point at Southall on Wednesday evening, only to be undone in stoppage time. After Kie Plumley had produced a simply outstanding performance to keep the scores level, he and his side were left heartbroken when Dan Roberts curled home late-on to give Southall all three points.

Personnel-change chatter dominates pre-match build up

Much had been made online and amongst the Ascot supporters of the various ins-and-outs during the course of the day.

Notably, popular goalkeeper Plumley returned to the club after starring last season, and this addition came alongside another welcome returnee in the shape of Tyrese Osbourne, plus newbies Charlie George and Reading FC graduate Larry Omoregie.

KP is outstanding – first half is nuts!

In a frankly ridiculous first half where Southall's shot count reached double figures and Plumley's tally of saves was not far behind, Ascot somehow escaped the half all-square. Plumley's first save came after just 39 seconds – a fine block – before Ascot went up the other end and Lui Edwards' shot was also blocked. That was one of three Ascot chances in the first half; the rest was a total barrage on Plumley's goal. And, there were only five minutes on the clock before Liam Ferdinand found space on the right and drilled low across Plumley and into the bottom left to make it 1-0.

Roberts fizzed a long range effort just over in the 7th minute as the home side nearly doubled their lead, but when Southall surrendered possession in the 9th minute, Tyrese Osbourne should have done better than mis-time a free header from Cam Rohart-Brown's cross. But fifteen minutes in, Osbourne made amends when he spring the offside trap from the impressive Jaye Long's through ball and smashed the ball through Milan Czerwonka's legs to make it 1-1.

After that it was one-way traffic. Plumley saved down low to deny Ferdinand in the 17th minute, and less than 60 seconds later used his feet to thwart Kensley Maloney at close range from a corner. Ferdinand then picked out Dan Hector who struck the inside of a post – not even 20 minutes played – before Ferdinand teed up Makael Scott down the left; Plumley superbly beating his thunderous effort away. Roberts then released Ferdinand in the 24th minute although he somehow side-footed wide with Plumley committed, before Ascot survived an almighty scare when they hacked the ball off the line a minute later.

Aiden Tarrant somehow headed wide unmarked from a 41st minute corner before – quite incredibly – Plumley's unbelievable one-handed save followed up by a succession of goal-line blocks denied Southall from taking a half time lead. The half time whistle did at least give some respite for the overworked Plumley.

Second half sees more of the same

Sadly for Ascot, it was probably even more of a barrage after the break. Ferdinand had enough chances to score a double hat-trick, and he somehow blazed over in the 51st minute with a clear sight of goal. Plumley got down well to save again in the 58th minute, before Southall messed up a two-on-on situation in the 64th minute when Ferdinand teed up Hector who smacked the crossbar with the goal at his mercy. A brief moment of respite saw Edwards cross for Rohart-Brown to volley from an audaciously tight angle – Czerwonka keeping the ball out at his near post – before Ben Parkinson totally misjudged his header from the resultant corner when free at the far post; it should have been better than a simple downward header into Czerwonka's arms.

But the onslaught continued as Mitchal Gough smashed an effort into the side netting after 70 minutes, Ferdinand's powerful shot was beaten away by Plumley on 76 'before seeing another shot deflect wide for corner on 82'. Roberts' powerful shot was beaten away by Plumley at the near post on 85', Ferdinand's dipping shot grazed the bar on 87' and Roberts teed up Ferdinand who somehow shot wide of a gaping target in the same minute. Roberts then dragged a cross-shot wide in the 88th minute and substitute Tyler Hayles' swerving drive from distance missed the top left by inches in the 90th minute, but just when it looked like they had got out of jail, Ascot were undone in the 92nd minute. This time, Ascot substitute Connor Richardson lost possession and his side were under pressure again, culminating in Roberts curling an unstoppable left footed effort into the top left from a central position. It was harsh on Plumley, who was imperious.

Ascot United: Plumley, Bullard-Jeffrey (Mboge 77'), Rohart-Brown (Richardson 71'), Parkinson, Sesay (George 59'), Osbourne, Allsopp, Long, Edwards (Uzor 77'), Platel (Omoregie 71'), Pache

Heard the one about the manager who will have to go on the booze run before his side take on a Step 2 big hitter in the FA Cup this weekend? Or the gaffer who has emerged from recent cancer treatment aiming to reach the first round proper with his third Step 3 team? How about the north-east town with a double second round qualifying date? Every season the early rounds of this fine competition throw up great storylines.

Frankly there are too many to cover in The NLP each week and we could have done more. But it was nice to shine a light on Lower Breck, Rushall Olympic and both Redcar Athletic and Redcar Town ahead of some huge ties this weekend.

Andy Simpson spoke to Breck boss Gary Moore for us ahead of the NPL West outfit's clash with Chester. A sell-out crowd is expected to squeeze into their ground that's a short walk from the home of Premier League titans Liverpool.

Moore said: "We've hosted Macc here, Bury too. We'll be ready. There's added pressure on me because I still do the booze run to get the bar stocked for home games! It's a big ask for volunteers on occasions like this, but it's exciting too. To cause an upset, you must believe it's possible. You've also got to get the basics right, and we'll probably need most of our lads to put in an 8/10 performance. Home advantage definitely helps – teams don't love coming here, which is in our favour – but we also have to be realistic at the same time. The lads Chester have are a different calibre of player to anything we've come up against in the past, and it would be a massive achievement to knock them out."

Ian Long insists his Christmas cancer fight has not stopped him playing the panto villain – especially when Rushall Olympic's players make his naughty list. Having been diagnosed with testicular cancer, the Pics boss underwent surgery two days before Christmas yet was still on the touchline for a 5-1 Boxing Day bashing at Ilkeston Town "that didn't make me feel any better".

That was followed by a bout of chemotherapy with Long now on a five-year assessment plan and test results due back later this month but the ordeal has done nothing to alter his front-foot style on the sidelines.

“I am still as stupid and passionate as ever on the sideline,” Long told our regular writer Andy Mitchell.

“I must be one of the most hated managers in Non-League and anyone who knows me will know I certainly don’t want that to change. I feel fine, I am getting down to the gym and nothing has changed – I am still having sleepless nights over the football, which is crazy.”

It will be some day in Redcar. With Town taking on Darlington at lunchtime for the BBC cameras, the afternoon will see Athletic host last year’s giantkillers Macclesfield. Town were competing in the North Riding Senior League as recently as 2022, so to be going head-to-head with a former EFL that are managed by a former Premier League star Steve Watson is a truly historic moment.

“This is only our fifth season in the Northern League and now we are in the second qualifying round of the FA Cup and facing Darlington,” explained joint-manager Mitchell Morris to Mark Carruthers.

“We didn’t really expect to beat Bridlington or Blyth Spartans and now we want to try and knock Darlington out if we can. Steve Watson had an unbelievable career with the likes of Newcastle and Everton and it’s just surreal that we will be going up against their side. It will be a tough day for us but one we will enjoy.”

As for Athletic boss Carl Jarrett, whose side were promoted to NPL Premier in style last season, said: “They are second in their division, favourites to go up, they beat Palace last year, a massive club, before getting knocked out by Brentford. To get them is a massive draw for the club, we are hoping we get a big crowd and I am sure the fans are on cloud nine at the moment.” ~Matt Badcock

ASCOT UNITED U18'S

Welcome back to The Racecourse. What a night we had on Monday in the FA Youth Cup. Getting through the Second Qualifying Round up next would take Ascot into territory we haven't reached for over a decade.

We travelled to Didcot Town as clear underdogs against a side who had made an excellent start to the season, but we went there with a game plan, belief and absolutely nothing to fear. Preparation started the previous week with a massive game of Murderball at training. High intensity, physical, competitive and relentless — exactly what we wanted ahead of a tough cup tie.

What a training session Murderball is. Highly recommended - even more so after a Bronco! Forget overcomplicating sessions — recreate the game.

We had worked specifically on Didcot, identifying their strengths, where we could hurt them and how we wanted to start. The pre-match message was simple: "Unleash the hounds." Press them, compete for everything and make sure from the first whistle they knew they were in a game.

The boys carried it out to a tee. The game was played on an absolute carpet of a pitch, funded by Oxford United, and the lads rose to the occasion. We created some excellent first-half chances and defended superbly.

Seven minutes after the break, Theo's excellent ball found Julien, who finished to put us 1–0 ahead. Didcot equalised late on, meaning penalties once again. Same five takers, same order, same belief — Ascot win 2–0 on penalties! A fantastic cup upset built on preparation, discipline, work rate, intensity and togetherness in front of over 100 spectators.

Thank you to all the parents, families and friends who travelled and gave us such fantastic support. What a performance. What a night. What a team. We are building something really special here...

Now onto Monday and the Isthmian League Cup game Away to Bedfont. After a behind close doors game against Binfield on Thursday we are ready to go again. All support welcome! Enjoy the game ~ David.

UNITED WE STAND! [Ed. says] It was a tremendous performance by the U18's at Didcot Town earlier this week against strong favourites. It was a great pleasure to watch this group execute a game plan and keep the cup buzz going. Take nothing away from Ascot, but Didcot really need to work on their spot kick routine with 2 flying over the bar and another one hitting it!!!

ASCOT UNITED WALKING FOOTBALL

Ascot United Walking Football has taken off over the past year! From a handful of players, there are now up to 20 each Tuesday morning who come down to The Racecourse and participate in [usually] two 25-minute in-house games. Age is no limit, although players are normally 50-plus and currently range from 50 to 77 years old! For those of you who don't know the rules, the pitch is marked out using cones and less than half-a-regular pitch in size. The goals are 6-a-side goals. Goalkeepers must stay in their area and outfield players may not encroach in it.

Each player is allowed only three touches before releasing the ball, which must also stay below head height. And no running – one foot is always on the ground! Afterwards, there is tea/coffee and home-made cake in the clubhouse. All welcome, 10.45 warmup. First session free, and then 10 English pounds paid on the day thereafter. The team has grown in both numbers and ability and was proud to host its first tournament in May 2026. Speak to Neal Jeffs, Doug Page, or email our organizing coach Will Chaisty directly - will@chaisingsport.com.

CLUB HISTORY - ASCOT UNITED

Ascot United as we know it, was founded in 1965 by a men's team who played their games at Sunninghill with "after match meetings" in The Wells in Cheapside village (now Mikado's). Teams played as long ago as 1928 under the name "Ascot United" but nothing to link them directly to the current club. In 1965, the club had gained permission from the Ascot Racecourse Trustees to convert the land east of coach park 10 into a football pitch. A wooden clubhouse was built, and this team went on to win many prestigious trophies in the years that followed.

Various youth teams represented Ascot United over the years up to 1988, and in 1992 the East Berks 7-a-side Association was formed by our then Chairman Keith Wicks, introducing small-sided junior games and having disbanded in 1980 the men's team also reformed. The men's senior team enjoyed early success through the East Berks League gaining continued promotions to the Senior division and winning various Cups including the Fielden Charity Cup in 1996/7. In 2001, the First Team join the Reading Senior League, were awarded FA Charter Standard status in 2004, and won the Reading Evening Post Senior Cup at the Madejski Stadium in 2006. Promotion to the Hellenic League Division 1 soon followed in 2007, before promotion to the Premier Division in 2009.

"The Yellamen" made their debut in the FA Cup in 2011 with a home tie against Wembley FC. The game attracted 1,149 people to The Racecourse on a Friday evening where the famous trophy itself was on display, and the match was streamed live on Facebook. In 2012-13 and 2015-16 we reached the Quarter Final of the FA Vase twice, enjoyed two top-three finishes in the Uhlsport Hellenic League Premier Division, and won both the Bluefin Sport Challenge Cup and Perpetua Press Floodlit Cup. In 2018-19, new manager Jamie Tompkins led his side to the top of the table for long spells, and although they couldn't hang on to their lead, they would taste league cup glory once again by defeating Windsor FC 3-1.

A lateral move to the Combined Counties Premier Division for the 2019-20 season, combined with the installation of a new 3G pitch provided a platform for further development both on and off the pitch. The Yellamen were clear at the top of the league before COVID curtailed their first crack at the title before the 2021-22 season saw them reach the Bucks Senior Cup Final after defeating three sides from higher divisions, including Wycombe Wanderers in the semi-final in front of a club-record crowd of 1,267.

However, it is the 2022-23 campaign that will surely remain the club's most successful for decades to come. Tompkins' side dominated the league, taking 102 points from 38 league matches to win the title with four matches to spare. And if that wasn't enough, they achieved an incredible double by lifting the Isuzu FA Vase at Wembley in front of over 4,400 travelling Ascot United supporters and the BT Sport cameras. Impressively, they entered in the very first qualifying round before winning ten matches in a mesmerizing run; Kai Walters heading home in the 79th minute to secure a 1-0 win over the then-holders Newport Pagnell Town. After securing promotion to Step 4 for 2023-24 where they consolidated their status by finishing mid-table, they pushed for promotion again in 2024-25 only to lose at Hanworth Villa in a play-off semi final. The 2025-26 campaign saw Gavin Smith appointed as manager and consolidate his side's status at Step 4, before leading The Yellas in 2026-27 for their fourth season in the Isthmian League (South Central) Division.

The club has also enjoyed much success at all levels particularly in the Women's and Girls Section. Our Senior Women won promotion to the Premier Division of the Southern Region Women's' Football League in 2017-18 where they were runners-up in both 2022-23 and 2023-24. However, an unbeaten league campaign saw them crowned champions in 2024-25, earning them promotion to the National League at Step 4 for the 2025-26 campaign, where manager Andy Cox led them to an impressive mid-table finish, also winning the County Cup. New manager Aym'e Melham took over the reins for the 2026-27 campaign with an entirely new squad and will also foster a pathway for the Junior Premier League (U18) players, who themselves also won the JPL league title in 2022-23 and 2024-25.

Ascot United has grown to become one of the largest Community football clubs in the UK with over 1,000 registered players and over 90 teams playing every weekend embracing all ages and abilities from 5 year olds through to veterans. We are also extremely proud to have a mixed-ability team representing our club, the Ascot United Warriors, who are affiliated with Special Olympics GB

CLUB HISTORY - RAYNES PARK VALE

Raynes Park Vale FC was formed in 1995 following the merger of Raynes Park and Malden Vale (formed 1967) but the club's true origins lie in the Southern Railway Football Section when the first local team started. Although a victim of the 1963 Beeching spending cuts the club had some early successes in the 1932/33 Middlesex League and some cup victories to earn the Railway Athletic Association Cup and the Southern Railways Orphanage Cup.

The Southern Railway club reformed, post-Beeching, as Raynes Park FC in 1964. RPFC's home colours of black and red stripes are now proudly reflected in the colours of the Raynes Park Vale FC team. Raynes Park FC fielded five senior teams with two playing in the Surrey Premier League and a third in the Surrey South-Eastern Combination

In the meantime local team Malden Vale FC were enjoying some success in a variety of leagues that existed between 1967 and 1995 including the North Surrey Youth League, Sunday Sportsman League, South Thameside League & the Surrey Combination League and London Spartan League before emerging into the newly formed Combined Counties League winning that league's title at the first attempt.

A runners-up position in the Dan Air League (with BAE Weybridge snagging the top spot) saw the club promoted to the Diadora League Division 2 South where they remained until the end of the 1993/94 season when managers Mick Brown & Ged Murphy left the club to join Hendon. Much of the squad followed and the team finished bottom the following season. In 1995 the two clubs, Malden Vale and Raynes Park FC merged to create the club we now know: Raynes Park Vale F.C.

The new club immediately joined the Combined Counties Football League and currently play in the league's Premier League, Tier 9 in the national league pyramid. Their best finish was in 1997–98 when they finished in fourth place at tier 9. They have participated in both national Cup competitions apart from a brief period at the start of the 2000s. The club's reserve team won the Combined Counties Reserve League in 2002–03 and 2005–06 before it joined the Suburban League for the 2006–07 season. The reserve team was disbanded for financial reasons before rejoining the combined counties reserve league for the 2011-12 season under the management of Terry Tuvey.

CLUB HISTORY - RAYNES PARK VALE

In the 2012-13 season the reserves achieved the league & cup double. The cup being won with a 2-0 win against Worcester Park Reserves in the final. The Reserves also won the fair Play award in both 2011/12 & 2012/13, the 1st team winning the Premier award in 2011//12. The Combined Counties League took the decision to disband the reserve league at the end of the 2012/13 season so for the 2013/14 season they re-joined the Suburban League. Midway through 2013/14 Lee Dobinson stepped down as 1st Team Manager to take over as Club Chairman from Fred Stevens. Former AFC Wimbledon Player Gavin Bolger stepped up to take over as 1st team Manager. Gavin Bolger played 107 times for AFC Wimbledon from 2002 to May 2005 scoring 27 goals from midfield.

The 2019/20 season saw some major changes in the organisation and management of the club with local businessman and supporter John Dalton becoming Chairman and Josh Gallagher replacing Gavin Bolger as manager at the start of the 20/21 season.
Extensive restructuring and refinancing of the club saw Raynes Park Vale mount a record-breaking FA Vase campaign in 21/22 and narrowly miss out on promotion.

Raynes Park Vale F.C. were the winners of The Combined Counties Premier Division South 2022/23 and were promoted to The Isthmian South Central Division First Division

Season 2023/24 saw Raynes Park Vale F.C. just miss out on the play off spots after an impressive first season in The Isthmian South Central Division.
