IN THE CHAIR

Dan Birchmore
Chairman

A warm welcome to Flackwell Heath for today's Berks and Bucks Senior Cup fixture.

A very warm welcome to the players, officials, directors and supporters of Flackwell Heath FC to the Racecourse Ground this evening for our Berks & Bucks Senior Cup Second Round tie.

We are delighted to welcome everyone connected with Flackwell Heath. Whilst we don't meet very often in competitive football, both clubs currently compete at the same level, albeit in different divisions, and have earned reputations as ambitious, well-run clubs. Both sides have experienced slightly inconsistent starts to their league campaigns, making tonight's fixture an excellent opportunity to build confidence and momentum.

We come into tonight's game following our trip to Jersey Bulls at the weekend, which felt a little like an international break of our own. Whilst it was a fantastic experience for the players, staff and supporters who made the journey, it certainly came with its challenges. Getting a squad out of bed and onto a coach for a 5am departure is no easy task, but everyone involved represented the club superbly and it was another memorable occasion for Ascot United.

On Sunday, our Women's First Team bowed out of the Women's FA Cup. Given player availability and the quality of the opposition, the result was perhaps not entirely unexpected. It has been an extremely challenging start to the season for Aym'e, Gary and the squad as they continue their rebuilding process, and luck was certainly not on their side with the draw. In a competition where they could have faced opponents from across several levels of the pyramid, they were handed arguably one of the toughest ties possible. Despite this setback, the group continues to work hard and remains fully committed to building for the future.

Last Thursday also saw our Under-18s bring their FA Youth Cup journey to an end against a strong Camberley Town side. After a hard-fought 0-0 draw, the game was decided by penalties. There were plenty of positives to take from the evening, including an outstanding FA Youth Cup debut from young goalkeeper Rhys McKnight, who produced a superb performance. When you look at how far this group has come over recent seasons, everyone involved should be incredibly proud. Full credit goes to Dave, his coaching staff and the players for representing the club so well.

Away from the pitch, it remains fantastic to see football fully underway across the club following the delayed start caused by the summer heatwave and difficult pitch conditions. With 104 teams representing Ascot United this season, there is a huge amount of football being played every week. I would like to thank all of our coaches, volunteers, parents, sponsors and supporters for the role they play in making that possible.

Finally, good luck to Gavin, his management team and the players this evening. Cup football always provides a different challenge and we're looking forward to another competitive night under the lights at the Racecourse Ground. Enjoy the game ~ Dan.

FROM THE DUGOUT

Gavin Smith
First Team Manager

**Welcome to the players, officials
and supporters of Flackwell
Heath. Enjoy the game!**

Saturdays away trip to Jersey came with a disappointing result.

Although we started brightly, we fell behind and then managed to get ourselves back in the game with a very good goal, but then we got dominated for a good 20 minute period where the hosts scored 2. They then had another couple of good opportunities to make the score line even better, but they weren't taken.

The message at half time was next goal was crucial and again we started ok and carved out a very good opportunity to score only to be denied by some good defending, we then got hit with the 4th which put the game well out of reach. The last 20 saw us have a lot of possession and saw us score arguably the best goal of the game when a very good team move was finished off by Chukz Uzor for his first goal for the club.

We huffed and puffed but we couldn't get anything more out of a side who defended very well and limited our chances.

**This week is a chance to bounce back starting tonight against Flackwell Heath in the Berks and Bucks Cup. We then follow tonight's game up with a home game vs Harrow Borough where will need to be picking up some points.
Enjoy the game ~ Gavin.**

ON COURSE!

With Programme Editor Neal Jeffs

Welcome to the players, officials and supporters of Flackwell Heath for this Berks and Bucks Senior Cup match.

Good evening and welcome for this evening's County Cup tie against Flackwell Heath. The Heathens arrive having had a difficult start to their season lying bottom of the Southern League Central Division with one win and seven defeats from their eight matches. Like ourselves, they did start ok with a couple of wins in their first three games but things have gone downhill since then and – also like us – goals have been harder to come by of late. Last weekend saw some eye-catching FA Cup results with ninth-tier sides Tadley Calleva and SE Dons producing shocks. Tadley bridged a three-tier gap in beating National League (South) side Dartford 2-1, whereas SE Dons thumped tier-eight 'giants' Weymouth 5-1 on the road. The Berks and Bucks cup provides an opportunity for silverware and, of course, a chance of playing some of the more illustrious names. It doesn't seem long ago when we were setting our attendance record beating Wycombe Wanderers here in a semi-final shoot-out. This is the 2nd round (draw below) and 14 ties will produce 7 winners who will advance to the 3rd round where Reading FC enter the competition. It's all the play for...unless you win and your reward is a midweek trip to Newport Pagnell... Enjoy the game ~Neal

HAPPY DAYS! Louis Bouwers wheels away after his semi-final spot-kick dumped Wycombe Wanderers out of the County Cup a few years ago. Ascot went on to lose against Reading FC in the final at Arbour Park.

A NEW CHAPTER - ASCOT UNITED WARRIORS

Returning to Ascot United feels incredibly special. After several rewarding years coaching at the club, I'm proud and excited to begin this new chapter with the Ascot United adult disability team *writes new coach Neil Richards.*

PROUD! Neil Richards with his Ascot United Warriors side at September's BOBI league matches in Oxford.

The Warriors are a truly inspiring group of players who embody everything that makes football so powerful: enthusiasm, teamwork, friendship, determination and a genuine love of the game.

We train once a week, creating opportunities for everyone to develop their skills, build confidence and enjoy being part of a team. We also play monthly fixtures, giving the players the chance to put their hard work into practice, represent Ascot United and experience the excitement and pride of match day.

A huge amount of credit also goes to the parents and families who support the Warriors week in, week out. Their commitment, encouragement and dedication make such a difference, helping players attend training and fixtures while creating a positive and supportive team environment.

Special recognition must go to Ceri, one of our parents, who also takes on the vital responsibility of organising and managing the administration for the Warriors. Her hard work behind the scenes helps keep everything running smoothly and is greatly appreciated by everyone involved.

For me, this is about so much more than results. It's about creating a welcoming environment where every player feels valued, included and able to contribute. Watching the team grow in confidence, encourage one another and celebrate each other's achievements is what makes this role so rewarding.

I'm incredibly excited for the season ahead and for the opportunity to help the Warriors continue to develop, compete and, above all, enjoy their football together.

Up the Warriors! ❤️ ⚽

JERSEY BULLDOZE ASCOT

Yellamen lose cross-Channel away day 4-2

Saturday 3rd October 2026, Pitching In Isthmian League South Central Division, Jersey Bulls 4 - 2 Ascot United

Jersey Bulls beat Ascot United 4-2 on Saturday to end the visitors' mini-resurgence and leave them still searching for their first away win of the season. All of the damage was done in a crazy opening quarter of the game which saw The Bulls lead 3-1 having initially been pegged back, and from that point Gavin Smith's side were always chasing the game on The Channel Island.

Yellamen easily cut open

The visitors' long trip started well as they had the better of the opening five minutes, but that led straight into Jersey taking the lead when talismanic striker Lorne Bickley outmuscled Rudi Pache from a long-ball, before cutting onto his right and shooting low across Kie Plumley and into the bottom right.

Ascot responded quickly when the impressive Cam Rohart-Brown played a neat one-two and released Fope Deru, who repeated Bickley's trick by checking onto his right and firing low into the right hand corner to make it 1-1.

But Bickley smashed home at the neat post to restore The Bulls' advantage in the 14th minute and Jack Lumsden's looping header made it 3-1 before a quarter of the game had been played.

Plumley denied Casey Nixon from scoring number four a minute later although Joe Bassey might have cut the deficit at the other end only to see his shot deflect over.

In the second half, Toby Ritzema drove into the box and fired a left-footed effort across Plumley and into the net for 4-1, and Bickley should have made it five and completed his hat-trick in the 66th minute only to fire at Plumley when unmarked before blazing the rebound over.

Despite being on the back-foot for long spells, Ascot gave themselves hope with twelve minutes remaining courtesy of substitute Chukz Uzor. In a well-worked move, Kai Allsopp linked up with Jaye Long. Long flicked the ball out to Ricco Bullard-Jeffrey on the right, and he whipped a cross in for Uzor, who hooked home on the volley having only been on the pitch eight minutes.

The visitors then looked the better side pushing forwards for another goal that might have made it interesting, but the damage was done long before.

It still took a late double-save from Plumley to keep the margin of defeat at 4-2.

Ascot United: Plumley, Bullard-Jeffrey, Pache, Rohart-Brown, Bassey (Clarke-Salter), Coomes, Deru (Uzor 69'), Platel (Dehghani 69'), Coomes (Amiri 60'), Edwards, Allsopp.

FA CUP replays - specifically the lack of them - has been a huge talking point in recent years.

They've been gradually phased out of the proper rounds so that all results are decided on the day.

No more holding on for a draw and a second pay-day for Non-League clubs. It's extra-time and penalties now, all wrapped up before Strictly Come Dancing starts.

Replays, however, do live on in the qualifying rounds and they certainly delivered in the second round qualifying. No fewer than half a dozen clubs from the National League South were humbled by lower league opposition in replays.

Maidstone United and Farnborough both succumbed to 2-0 home defeats to Step 3 Cray Wanderers and Uxbridge respectively, while Hemel Hempstead Town lost 2-1 away at Wingate & Finchley. Hampton & Richmond Borough and high-flying Weston-super-Mare were both humbled by Step 4 opposition; the Beavers going down 3-1 at Crowborough Athletic and the Seagulls shot down on penalties by Tim Sills' Wimborne Town after a 1-1 draw.

Crowborough host Wimborne this weekend and boss Sean Muggeridge was excited about another big day.

ESSENTIAL READING FOR FOLLOWERS OF THE NATIONAL GAME

“Sometimes it’s harder because the expectations have gone up a bit,” Muggeridge told The NLP. “Wimborne are a good side, I know they are. If they’re even drawing with Weston-super-Mare they’re going to be a very good side. We haven’t become Man City overnight! We won that game on Tuesday night with pure determination – and absolutely brilliant goals.”

“Let’s embrace and enjoy this moment, however long it lasts. We’re not going to win the FA Cup – so let’s embrace and get some enjoyment out of it because this is what the game is all about. I’d said to the chairman it’s going to be entertaining this year. There’s going to be goals. I just can’t tell him at which end!”

And in the biggest shock of the night, Step 5 Cirencester Town, 11th in the Hellenic League Premier, knocked out Farnham Town 2-1 on the road, thanks to Harlie Price’s brace and last-minute winner. Ciren travel to Truro City aiming to cause another upset and reach the fourth round qualifying where the Step 1 clubs enter the fray.

“We’ve had our highs and lows over the years,” manager James Mortimer-Jones told The NLP. “The club took voluntary relegation three years back now and that was obviously a low for people who have stuck around. We started a team from scratch. We took a few drubbings. In my first FA Cup game we lost 7-0 to the local rivals. To have that flip round and go on a great run with the people who were there for those days makes it feel that bit more special.” ~Matt Badcock.

ASCOT UNITED WALKING FOOTBALL

Ascot United Walking Football has taken off over the past year! From a handful of players, there are now up to 20 each Tuesday morning who come down to The Racecourse and participate in (usually) two 25-minute in-house games. Age is no limit, although players are normally 50-plus and currently range from 50 to 77 years old! For those of you who don't know the rules, the pitch is marked out using cones and less than half-a-regular pitch in size. The goals are 6-a-side goals. Goalkeepers must stay in their area and outfield players may not encroach in it.

Each player is allowed only three touches before releasing the ball, which must also stay below head height. And no running – one foot is always on the ground! Afterwards, there is tea/coffee and home-made cake in the clubhouse. All welcome, 10.45 warmup. First session free, and then 10 English pounds paid on the day thereafter. The team has grown in both numbers and ability and was proud to host its first tournament in May 2026. Speak to Neal Jeffs, Doug Page, or email our organizing coach Will Chaisty directly - will@chaisingsport.com.

The incoming 6 teams (plus 1 reprieve) are highlighted in the table; AFC Stoneham, Ashford Town (Middx), Cobham and Windsor & Eton (shaded green) were all promoted from Step 5. Jersey Bulls and Winchester City (shaded yellow) moved laterally across Step 4. Littlehampton Town (shaded purple) were reprieved from relegation at the end of last season on a points-per-game basis due to other clubs at Step 4 taking voluntary demotion.

CLUB HISTORY - ASCOT UNITED

Ascot United as we know it, was founded in 1965 by a men's team who played their games at Sunninghill with "after match meetings" in The Wells in Cheapside village (now Mikado's). Teams played as long ago as 1928 under the name "Ascot United" but nothing to link them directly to the current club. In 1965, the club had gained permission from the Ascot Racecourse Trustees to convert the land east of coach park 10 into a football pitch. A wooden clubhouse was built, and this team went on to win many prestigious trophies in the years that followed.

Various youth teams represented Ascot United over the years up to 1988, and in 1992 the East Berks 7-a-side Association was formed by our then Chairman Keith Wicks, introducing small-sided junior games and having disbanded in 1980 the men's team also reformed. The men's senior team enjoyed early success through the East Berks League gaining continued promotions to the Senior division and winning various Cups including the Fielden Charity Cup in 1996/7. In 2001, the First Team join the Reading Senior League, were awarded FA Charter Standard status in 2004, and won the Reading Evening Post Senior Cup at the Madejski Stadium in 2006. Promotion to the Hellenic League Division 1 soon followed in 2007, before promotion to the Premier Division in 2009.

"The Yellamen" made their debut in the FA Cup in 2011 with a home tie against Wembley FC. The game attracted 1,149 people to The Racecourse on a Friday evening where the famous trophy itself was on display, and the match was streamed live on Facebook. In 2012-13 and 2015-16 we reached the Quarter Final of the FA Vase twice, enjoyed two top-three finishes in the UHlsport Hellenic League Premier Division, and won both the Bluefin Sport Challenge Cup and Perpetua Press Floodlit Cup. In 2018-19, new manager Jamie Tompkins led his side to the top of the table for long spells, and although they couldn't hang on to their lead, they would taste league cup glory once again by defeating Windsor FC 3-1.

A lateral move to the Combined Counties Premier Division for the 2019-20 season, combined with the installation of a new 3G pitch provided a platform for further development both on and off the pitch. The Yellamen were clear at the top of the league before COVID curtailed their first crack at the title before the 2021-22 season saw them reach the Bucks Senior Cup Final after defeating three sides from higher divisions, including Wycombe Wanderers in the semi-final in front of a club-record crowd of 1,267.

However, it is the 2022-23 campaign that will surely remain the club's most successful for decades to come. Tompkins' side dominated the league, taking 102 points from 38 league matches to win the title with four matches to spare. And if that wasn't enough, they achieved an incredible double by lifting the Isuzu FA Vase at Wembley in front of over 4,400 travelling Ascot United supporters and the BT Sport cameras. Impressively, they entered in the very first qualifying round before winning ten matches in a mesmerizing run; Kai Walters heading home in the 79th minute to secure a 1-0 win over the then-holders Newport Pagnell Town. After securing promotion to Step 4 for 2023-24 where they consolidated their status by finishing mid-table, they pushed for promotion again in 2024-25 only to lose at Hanworth Villa in a play-off semi final. The 2025-26 campaign saw Gavin Smith appointed as manager and consolidate his side's status at Step 4, before leading The Yellas in 2026-27 for their fourth season in the Isthmian League (South Central) Division.

The club has also enjoyed much success at all levels particularly in the Women's and Girls Section. Our Senior Women won promotion to the Premier Division of the Southern Region Women's Football League in 2017-18 where they were runners-up in both 2022-23 and 2023-24. However, an unbeaten league campaign saw them crowned champions in 2024-25, earning them promotion to the National League at Step 4 for the 2025-26 campaign, where manager Andy Cox led them to an impressive mid-table finish, also winning the County Cup. New manager Aym'e Melham took over the reins for the 2026-27 campaign with an entirely new squad and will also foster a pathway for the Junior Premier League (U18) players, who themselves also won the JPL league title in 2022-23 and 2024-25.

Ascot United has grown to become one of the largest Community football clubs in the UK with over 1,000 registered players and over 90 teams playing every weekend embracing all ages and abilities from 5 year olds through to veterans. We are also extremely proud to have a mixed-ability team representing our club, the Ascot United Warriors, who are affiliated with Special Olympics GB

CLUB HISTORY - FLACKWELL HEATH

Flackwell Heath FC Club History

Flackwell Heath Football Club was founded in 1907 and joined the High Wycombe and District League for its first season. From the outset, the Heathens quickly became one of the area's most successful clubs, winning twelve Wycombe League titles and lifting the High Wycombe Senior Challenge Cup fourteen times.

During the 1950s, the club moved into the Great Western Combination League, where it enjoyed further success, winning the competition twice before returning to the Wycombe League. In 1956, Flackwell Heath moved to its current home at Wilks Park, with the ground generously donated by the Wilks family.

The 1960s and 1970s saw the club continue to flourish both on and off the field. The construction of a new clubhouse in 1974 marked the beginning of Flackwell's rise into senior football. Success followed quickly, with the Heathens winning both the Berks & Bucks Intermediate Cup and the Reading Senior Cup in 1975.

In 1977, the club achieved senior status and joined Division One of the Hellenic League, earning promotion to the Premier Division at the first attempt. After five successful seasons, during which floodlights were installed at Wilks Park, Flackwell Heath were elected to the Athenian League.

The club joined the expanding Isthmian League in 1984, initially competing in Division Two North and finishing eighth in its debut season. A move to Division Two South followed, and in 1991 league restructuring saw Flackwell become members of the newly formed Ryman League Division Three. To maintain senior status, the club installed a 150-seat stand and upgraded its changing facilities to meet new ground-grading requirements. Continued investment throughout the following decade secured the club's place in senior football.

The 2002/03 season marked a significant milestone in the club's history. Flackwell Heath reached the Fourth Qualifying Round of the FA Cup for the first time, eventually losing 4-1 at home to Crawley Town. The Heathens also finished third in the newly formed Ryman League Division Two, their highest-ever league finish at that time.

Just two years later, in 2004/05, the club again reached the Fourth Qualifying Round of the FA Cup, this time losing 3-0 away at Billericay Town. That same season, Flackwell reached the final of the Ryman League Associate Members Cup, narrowly losing 2-1 after extra time to Ilford. Another impressive campaign followed in 2005/06, with the Heathens finishing fourth and narrowly missing out on promotion.

League restructuring in 2007 initially saw Flackwell Heath set to drop into the Spartan South Midlands League. However, following the withdrawal of Barking and East Ham United, the club retained its place in the Ryman League Division One North. Relegation followed at the end of the 2007/08 season, and the Heathens returned to the Hellenic League Premier Division.

The 2014/15 campaign was one of the most memorable in the club's history. Although promotion to the Southern League was secured on the pitch, late league reorganisation meant the club remained in the Hellenic League Premier

Division. Flackwell reached the finals of both the Berks & Bucks Trophy and the High Wycombe Senior Challenge Cup, winning the latter against Penn & Tylers Green. The Heathens also enjoyed another memorable FA Cup run, reaching the Fourth Qualifying Round before losing to Weston-super-Mare, while their FA Vase journey took them to the last sixteen for the first time.

Success continued in 2015/16 under manager Graham Malcolm and assistant Paul Shone. The club finished third in the Hellenic League and lifted three trophies: the Berks & Bucks Senior Trophy, the UHSport Challenge Cup and the Wycombe Senior Cup.

Following Graham Malcolm's departure to Spain, Paul Shone took charge alongside Sean Kelleher. After a difficult period, Marcus Richardson and Fabian Coultriss were appointed in November 2017, rebuilding the squad with a mixture of young talent and former youth players. The club finished fifth in 2017/18 and eighth the following season.

The 2019/20 and 2020/21 campaigns were heavily disrupted by the Covid-19 pandemic. Despite leading the Hellenic League and losing only once during the curtailed 2020/21 season, the Heathens narrowly missed promotion after the Football Association introduced a points-per-game system and further league restructuring.

That same season, Flackwell Heath enjoyed their best-ever run in the FA Vase, reaching the quarter-finals for the first time before eventually losing 2-0 to US Portsmouth.

Chris Ayres took over as first-team manager midway through the 2021/22 season, guiding the club to a sixth-place finish. The following year, Flackwell joined their preferred competition, the Combined Counties League Premier Division North, and celebrated success by winning the Premier Challenge Cup in 2022/23.

The 2023/24 season proved to be one of the greatest in the club's history. The first team won the Combined Counties Premier Division title and secured promotion to Step 4 football, earning a place in the Southern League Division One Central. Success extended throughout the club, with the Development Team, Allied Counties Team and Veterans Team all winning their respective league titles.

The club's first season in the Southern League Division One Central exceeded expectations. After finishing third in the table, the Heathens reached the play-offs in their debut campaign at Step 4, eventually losing to a strong Berkhamsted side.

The 2025/26 season brought another memorable FA Cup run, with Chris Ayres and his team reaching the Fourth Qualifying Round before narrowly losing 1-0 to a talented Maldon & Tiptree side, with former West Ham United player Freddie Sears scoring the decisive goal. League form suffered after the cup exit, and Flackwell eventually finished fifteenth in the table.

Today, Flackwell Heath Football Club continues to build on more than a century of history, combining ambition on the pitch with a strong sense of community at Wilks Park. With a proud past and an exciting future, the Heathens remain at the heart of local football.
